

Aptitude Tests For Hiring Of Custodians

Scores To Be Factor In Recommendation; No Word On Post Office

A decision to require mechanical and general aptitude tests on future custodial hiring was made by the Granite City school board Tuesday night.

Failure to pass both tests will bar prospective employees.

The action adds the two tests to the district's requirements of biographical information, references and satisfactory performance in applicants' past work.

Supt. Harold M. Kaiser will continue to submit recommendations on job applicants, taking the test scores and other information into consideration. Board members said the tests are similar to those given in local industries.

Formal action on the test proposal followed a private board discussion held from 8:15 p.m. to 10:35 p.m. President Robert Spengler said the board also heard a report during the executive session on progress in contract negotiations with the teachers' union.

Hiring Action

At the same time it acted on the test proposal, the board named as custodians Duward Cooley, 24, of 2402a Cleveland blvd., effective Jan. 24, and Raymond Hadley, 33, of 3024 Wayne effective Jan. 25.

Cooley will be an assistant custodian at Marshall grade school and Hadley will be an assistant custodian at Central Junior high school.

Dr. Kaiser had recommended Cooley and Clyde N. Rainey, 48, of 212 East Chain of Rocks road, for the two positions at the Jan. 9 board meeting but withdrew recommendations before action was taken.

Federal Conference

Reimbursement of expenses was approved for a Chicago trip made by the superintendent and between now and Jan. 31.

BIRTHS

Births recorded at St. Elizabeth Hospital:

GIRLS

Mr. and Mrs. James Grissom, 3850 Franklin avenue, Jan. 23, Tamara Jean, six pounds, 11 ounces.
Mr. and Mrs. Roy Stickle, 2022 Rhodes street, Madison, Jan. 22, Joelynn Louise, six pounds, three ounces.
Mr. and Mrs. Walter Barlock, 5125 Lakewood drive, Jan. 23, Diane Marie, six pounds, 10 ounces.
Mr. and Mrs. Thomas LeMaster, 2103 Missouri avenue, Jan. 22, Sandra Jean, six pounds, one ounce.
Mr. and Mrs. Clarence Olson, 2013 Delmar avenue, Jan. 24, eight pounds, one ounce.
Mr. and Mrs. James Jackson, 4705 Kirkpatrick Homes, Jan. 24, Carolyn Sue, eight pounds, four ounces.
Mr. and Mrs. Daniel Lindell, 1500 Lindell blvd., Jan. 24, Lori, eight pounds, 12 ounces.
Mr. and Mrs. Frederic Yharra, 1721 Spring avenue, Jan. 24, Lisa Elaine, eight pounds, eight ounces.
Mr. and Mrs. Frederick Frenkel, 811 Lee avenue, Madison, Jan. 24, Pamela Sue, seven pounds, 10 ounces.

BOYS

Mr. and Mrs. Richard Poverly, 3802 Kirkpatrick Homes, Jan. 22, Richard Jr., seven pounds, four ounces.
Mr. and Mrs. Jerry Knick, 1940 Adams street, Jan. 22, James Thomas, six pounds, 11 ounces.
Mr. and Mrs. Ray Wolf, 2816 Edgewood avenue, Jan. 22, Ricky Lee, five pounds, eight ounces.
Mr. and Mrs. Bobby Wallace, 2540 Hemlock avenue, Jan. 23, (twins) Robbie Darrell, five pounds, 12 ounces; Bobby Lee, four pounds, 10 ounces.
Mr. and Mrs. George Yeager, 1716 Cleveland blvd., Jan. 23, David Alan, seven pounds, seven ounces.
Mr. and Mrs. Richard Beck, 2905 Madison avenue, Jan. 23, Elaine Allan, eight pounds, one ounce.

Arrests This Week Clear 7 School Break-Ins, Thefts

Local and county police authorities cleared break-ins at seven local area schools and made arrests in five reported theft cases this week at a Granite City jewelry store, two local service stations and two house break-ins. Four additional thefts and two break-in attempts were reported this week.

Signed statements have been obtained by Madison police from both participants in a burglary at 1 a.m. Dec. 29 at Louis Baez grade school and a break-in at a home later that day at Madison high school.

In announcing that information is being sent to the state's attorney's office, officers said it is uncertain how much of the loot can be recovered.

The two were identified as Otis Leroy Hayes, 17, State Park Place, and Terry B. Hughes, 18, Caseyville, members of a group of 10 youths apprehended in Madison and St. Clair counties for questioning on a series of more than 50 burglaries at schools, churches and business firms and coin telephone thefts in these two counties and Monroe and Clinton counties.

Windows were shattered at both Madison schools and a garage was broken in a corridor and the cafeteria at Louis Baez. The two said they divided \$200 on \$200 obtained by breaking a wall telephone at the high school, where a hat and revolver designed for a homicide were obtained from a coach's office.

Venice police have taken statements from Hayes and Hughes in which they admit breaking into Venice high school Dec. 28, and have warrants for their arrest on charges of burglary and larceny. An estimated \$100 in damage was done to school property in that break-in, while only about \$5 in small change was taken.

Hayes, Hughes and Billy Bauer, 17, of Collinsville, admitted the burglary at the school and Hayes will be in custody for a day that they had entered Sacred Heart, Lake and Webster schools.

(Continued on Page 18, Col. 5)

Baccalaureate Sunday For GC HS Graduates

Baccalaureate services for the January 1962 graduating class of Granite City high school will be held at 3 p.m. Sunday in the school auditorium with Rev. Keith Stanford, Suburban Baptist church pastor, presiding. The service will be for the seniors and their parents.

Rev. Verne Barnett, pastor of the First Baptist church, will offer the invocation, Bible reading and benediction. The service will be broadcast on radio for the professional and personal of graduates.

The school's advanced vocal chorus will sing "The Lord is Praise" and "Salvation Is Created."

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent Tuesday: Mary Beatty, 115 Ridge Madison avenue, Madison; Dorothy Anderson, 2457 Benton street, Madison; Mary Ann, 2126 drive; Imogene Olson, 2516 Adams street; David Stover, 2900 Morgan street; Raymond Meyer, 2018 Missouri avenue; Mary Hopkins, 1501; James Danz, East St. Louis; Pauline Dawson, 710 State street; Theodore Zeller, 2924 Faith avenue; Edna Jones, 2506 Kirkpatrick Homes; Diane Lucas, 917 Grand avenue; Mildred Jolly, 2596 East 27th street; Clarence Lemontovich, 1630 East 23rd street; Evie Long, 35 Glenzer Homes, Madison; Cordie Farless, 2801 Woodview drive; Simon Barzoff, 1300 Iowa street, Madison.

Interceptors A Key To GC Sewer System

A key to the proposed solution to Granite City's pollution abatement and stormwater interceptors is a system of interceptors sewer lines to separate sanitary sewer from surface water in the present combined sewer system in a major section of the city.

In designing the new \$9,925,000 system, the engineering firm of Sheppard, Morgan & Schwab has outlined to the Citizens' Sewer and Drainage committee and the city council full utilization of the existing sewer system with additional facilities for storm water drainage using the main trunk lines of the present system and the construction of interceptors to handle sanitary sewage.

The engineers in explaining the need for interceptors, point out the existing combined sewer system has several lines of large diameter which can provide "most effective and economical" use as storm sewer outlets.

Council Expected To Savage Salt Plan

Dr. Mann And Aldermen Outline Criticisms And Challenges

Continued use of the Southern Illinois University government study recommendation as a blueprint to improve city operations was indicated Monday night by Granite City council members in hearing a re-explanation of the program by Dr. Seymour D. Mann, director of SIU's metropolitan affairs group.

Major purpose of the survey, Dr. Mann said, "is to sharpen responsibility and illuminate accountability of city officials" with emphasis on an economical and efficient municipal operation that is more visible to the average citizen.

Dr. Mann, who headed the SIU team's year-long study here, previewed his remarks by stating his work here had "contributed much to my political education."

He said the study was designed as a "blueprint for a human organization" and that he and his staff realized changes and adjustments would be needed along the way.

Criticized And Praised

No council action was taken on the proposed dumping of the report, but aldermen sharply criticized the survey's committee arrangement adopted last spring and identified the report as a blueprint leading toward city manager form of government.

At the same time, the critics said the report had a number of commendations that would improve the city.

Defending the report, Alderman George Galtner said it was not the council's intention to discard the report completely. However, Alderman Donald Partney said that he had seen in the past few years reports that had been submitted to the council and then not followed.

As examples, he listed that the city had presented the Harland Bartholomew master growth plan for the community and the city had accepted it in 1955 and never accepted it. "It's outdated now, and cannot be used," he said.

"No New Information"

The first alderman to attack the report was Rufus LeMaster. (Continued on Page 5, Col. 2)

Venice Benefit Dance Saturday

The 24th annual benefit ball of the Venice Crippled Children's Organization will be held Saturday evening at Venice-Madison American Legion Post 307. Upwards of 500 are expected to attend the dance, which is being held to raise money for the leadership of Mayor John E. Lee, president of the organization.

An orchestra will provide music for dancing from 9 p.m. to 1 a.m., and there will be food. The event highlights the group's yearly fund drive, which also will include a benefit basketball game later this winter.

The organization contributes to the police foundation and the Shriners' Crippled Children's Hospital as well as aiding Venice youngsters crippled by accident or illness.

Estimate Incomplete

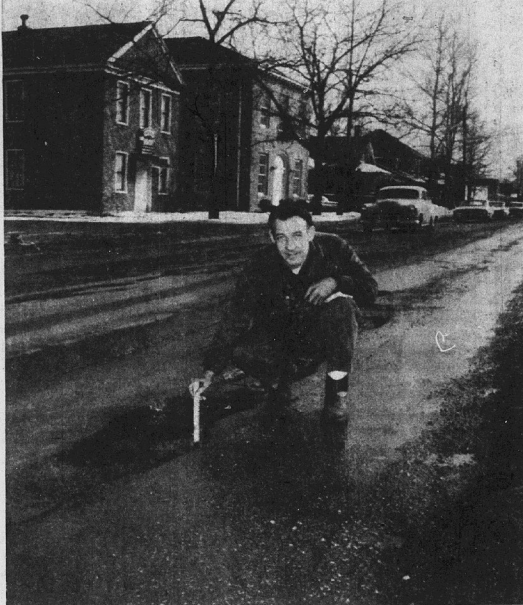

According to Granite City Supt. of Streets William Warfield, the thick crusts of ice still present on the streets will melt and run off before damage to pavement can be accurately estimated.

Warfield said, and his counterparts in Madison and Venice, Stanley Lucas and Fred Griffin, agreed the freezing and thawing cycle of winter must end before street departments can attempt any permanent repairs.

Deep chockholes are being filled with crushed rock in the meantime, Warfield said in hopes that it will remain there until the street crews can begin asphalt patching.

Street departments face another problem. Water which does not run off during daylight hours seeps into pavement cracks, re-freezes and causes more damage.

(Continued on Page 4, Col. 3)

TYPICAL CONDITION of many streets in the Quad-Cities is this six-inch-deep hole in asphalt governing 3700 homes of Nantouki road, where service station operator Kenneth Turcott uses a ruler to emphasize depth of the traffic hazard. Heavy snows of past month, resulting ice and constant pounding by traffic have resulted in the big headache for motorists and city and state street and highway crews now undertaking temporary repairs.

Photo by Staff Photographer

Thaw Welcomed By Street Crews; Damage Heavy

Damage to city streets in Granite City, Madison and Venice by snow, ice and sub-zero temperatures was estimated to be considerable.

A welcome break in the weather yesterday and today sent temperatures "soaring" in the 40s. Street department crews took advantage of the warming trend as they chipped away at ice blocking the streets.

Object to enable the melting snow and ice from roadways and curbs to run off before it can freeze and cause more damage to streets and more hazardous driving conditions for motorists.

1962 UF Agency Allocation Cuts Made Tuesday

Seventeen member agencies of the Tri-Cities Area United Fund were forced to absorb \$8790 of the drive's \$17,661 deficit, it was announced at Tuesday's United Fund board of directors meeting at the YMCA.

UF Vice-President Sidney L. Aubrey, who also was general campaign chairman, explained that the remaining \$8871 of the deficit would be taken from the United Fund's contingency fund. The campaign goal was \$258,463 and the drive netted \$249,592 or 94.1%.

The board of directors in voting to cut the 1962 allocations followed the admissions and distribution of the national average. The allocations had been forwarded to them by the executive committee.

(Continued on Page 4, Col. 1)

Zoning Assures Full Freedom For Farmers

(Second of a series)
The proposed zoning ordinance assures full freedom for all farmers, a Press-Record staff writer learned Tuesday. This freedom is regarded as important by county zoning officials, who point out that the 2000-acre farm and 350,000 acres of farm land represent a vital segment of the Illinois economy.

Occupying three-quarters of Madison county's total land area, the national average facts that bring more than \$12,000,000 in value to the county.

The only added cost would be about \$25,000 for purchase of treatment plant to be located on the treatment plant to the city dump.

Members of the Citizen group point out that savings in construction and operational costs for a larger sewage treatment plant through separation of the combined sewer system could be used to improve the construction of a sanitary sewer pumping station near the intersection of State and 16th street.

The present combined sewer system is south and west of Nantouki road, while the Nantouki area has a separate sanitary sewer system which empties into the present combined sewers.

Simultaneous freedom and protection may seem contradictory, but their accomplishment illustrates the unique value of zoning for unincorporated areas.

Many other leading areas have seen the need long ago, adopting zoning a quarter-century and in some instances a half-century before Madison county drew up its tentative zoning plan.

Basically, zoning does not

Clerk Candidate To Fight On His Petitions

Wounded Officer Returning To Duty Tonight

Granite City policeman Frank Harris, 30, of 125 Briarcliff, who was shot and wounded Monday morning with a .410-2 over-and-under shotgun, is scheduled to return to duty tonight.

Harris was shot while answering a complaint at 718 Twenty-eighth place with Patrolman Albert Diak, Annew Arney, 34, of that address, who shot Harris. He was also shot three times in an exchange of shots with Diak and Harris.

Arney, who is in St. Elizabeth Hospital, is expected to be released this weekend. He will be released with a cast on his right arm and a bandage on his left arm. Arney's physician told police that Arney's hand is badly cut from breaking the glass door from door Monday morning. His condition is good today.

Fortunately Ducked

Released from St. Elizabeth Hospital Monday night, Harris has two shotgun pellets lodged in his scalp and one in his back. He was discharged from the hospital when he discharged his first shot, "explained Harris. "I didn't want to have got it in the neck," he added.

Harris' police cap has eight ten holes in it and there are a number of holes in his jacket. The pellets are in his back.

7-Cent Hikes In 3-Year Smith Contract

Seven-cent hourly increases in wages for three years under a new three-year contract was granted about 1000 production workers by a special order of Boardman O. Smith, Corp., of Granite City, which has a manufacturing plant here.

The contract was announced yesterday by the company. The first year's increase is retroactive to Jan. 1, 1961, expiration date of the old three-year contract.

Negotiations on the contract, which also includes improvements in fringe benefits, were conducted for two months. The plant also is negotiating contract with the Machinists Union, which has a membership meeting set for this afternoon at the Labor Temple, and Electric Workers Local 309. Officers of the plant and Local 309 are to meet tomorrow afternoon in another session.

Boilermakers taking part in the contract talks were Charles Vannoy, local president; John Macnani, William Robinson, Ray Weaver, Melvin Hill, Harold Lewis, Morris Smith, Emil Hessel, Glenn Morgan, James Cox, Eugene Deluca and Kenneth Morris.

International Representatives William Costello and David George. Company officials were Arthur P. Tye, David B. Cooper, Jack O. Yeager, Donald C. Prosser and James L. Johnson.

(Continued on Page 5, Col. 1)

Big Enough For All

Zoning recognizes that Madison county is big enough for many things—farms to produce food, homes to house people, commercial business to serve them and industries to provide jobs. It also recognizes that zoning is a necessary step to prosper more readily when there is some separation of land use through zoning districts.

In the words of Evert Kinkaid and Associates, consultants who helped draw up the ordinance, "The prime objective of comprehensive physical planning is to provide a framework for specific areas to achieve efficient, wholesome and pleasant living and working environments for their residents."

"All agricultural, industrial, commercial, residential and other land requirements must be taken into account and carefully evaluated in order to meet the particular present and future overall needs of the county."

14 Types of Districts

To carry out the objectives of zoning, 14 types of zoning districts have been set up. The types of district, and the minimum area for a separate or detached lot.

(Continued on Page 5, Col. 4)

Seeks Place On Ballot; Opposition For Only 5 County Nominations

(Related Story on Page 3B.)

A fight against policies of Miss Eulalia Hotz, county clerk, was pledged today by William D. Thomas, Granite City Democrat, who said he has received a clerk candidate to study Miss Hotz' announced decision to omit his name from the ballot.

Miss Hotz cited a shortage of four names — 340 instead of 344 — and other deficiencies on Thomas' petitions as a county clerk candidate in the April primary. The petitions were submitted to her office in Edwardsville about one minute before the eight-day election filing period ended at 5 p.m. Monday.

The dispute drew the major attention in an otherwise uneventful filing period which saw many offices fail to attract even one candidate. Both parties have opposition for sheriff, and there also is Democratic opposition among judges, probate judges and county school superintendent.

Intending that the county election commission rather than the county clerk has authority to rule on the sufficiency of the petitions, Thomas said his filing is an outgrowth of dissatisfaction among some Democrats over Miss Hotz' procedure.

Reason For Hurry

The hurried manner in which petitions were filled out Monday night resulted in a book of William D. Thomas said. A belief that Jerry LaMar, a Wood River precinct committee man, would not get on the ballot, Thomas said, "I had with drawn in his favor. It was 10 o'clock Monday before we knew definitely that he would not run, and nearly 1 o'clock before the petitions were printed and out on the streets," he explained.

Robert Byrne, Granite City real estate and insurance agent, said he had no petitions to file. He said he had ruled that they had arrived on time.

Others who did not get on the ballot, but they were not present in proper form and his name will not go on the ballot," she told the Press-Record. "I wouldn't have even put the file on them if they had been running against me."

Hitler Name Called Frank

The pages were not numbered, they were not in book form, groups of signatures appeared to have been written by the same person, some of the county designations and one of the names was that of "Adolph Hitler," Morris said.

Hitler signature has been attributed to a prank by an Edwardsville tavern — restaurant proprietor, the Press-Record learned.

Thomas, an insurance broker residing at 2110a State street, charged today that there is unrest among Democrats over the election of the county clerk.

Failure to appoint additional Granite City voters registers. Lack of a canvasser to remove names of the deceased and others from voter registration lists throughout the county.

And the extent of expenditures on fixtures at the county clerk's office.

Miss Hotz had no comment.

HONORARY JAYCEE MEMBERSHIPS awarded last night by Jerry McPherson (left), president of the Granite City Junior Chamber of Commerce, to (left to right) E. A. Karandjef, Alvin Barnes Jr., Samuel E. Pershall Jr., Harold R. Fischer, Charles Norman and Jule D. Bartels.

JC's Membership Up 109%; 6 Honorary Awards Given

An increase of over 100% in membership, not including six honorary membership awards presented during the annual banquet, was announced last night by Jerry McPherson, president of the Granite City Junior Chamber of Commerce, as the unit's outstanding accomplishment during Jaycee Week.

McPherson said the group had 64 members at the start of the campaign and added 70 new members, making the local organization second in size in the district, topped only by Belleville with 178 members. The dinner at the Engineer Depot Officers' Club was attended by over 100 persons.

Honorary memberships for community service and support of the Jaycees, the first such awards to be given by the local group, were given to E. A. Karandjef, executive director of the Associated Retailers; Harold R. Fischer, president of the Granite City Trust Savings Bank; Charles "Chuck" Norman, general manager of radio station WGNJ; Samuel E. Pershall Jr., president of Tri-City Grocery Co., and Jule D. Bartels, news editor of the Granite City Press-Record.

American Steel To Pay Dividend; Outlook Good

American Steel Foundries stockholders of record as of the close of business Feb. 19 will receive a dividend of 40 cents a share, payable March 15, the firm's board of directors decided at the annual meeting in Chicago this week.

Joseph B. Lantieri, president, told the board and was confident that if there is no major national economic setback, such as a strike, the basic steel industry, our earnings will show considerable improvement from 1963.

He said the sluggish demand for railroad car castings, problem in the local plant, is slowly reversing itself, and increased demands in that line are expected to be a major factor in gains later this year.

The upswing has been noted at the local plant, where a full five-day work week has been announced next week.

The firm's consolidated net sales for the quarter ended Dec. 31 amounted to \$25,010,421, down over \$3.5 million from the previous year. Net income was down from \$3,349,962 for the last quarter of 1962 to \$2,029,370, and net income per share of outstanding stock was down from 54 cents to 36 cents.

Mr. Minnie Robinson Dies; Venice Resident

Mrs. Minnie Robinson, 77, of 515 Washington avenue, Venice, died at 9:30 p.m. Monday at an Alton hospital, where she had been a patient for the past eight months.

Mrs. Robinson was born at Warren, Ark., and had been a Venice resident 40 years.

Her husband, William Robinson, preceded her death in 1934.

Funeral services were conducted yesterday afternoon at a Madison funeral home, followed by interment in St. John's Cemetery.

An obituary is given elsewhere in this issue.

She is survived by a sister, Mrs. Cora Woolridge, of Warren, Ark.

Daughter Born To Former Resident

Mr. and Mrs. Paul Schreiber of Vandalia, O., are proud parents of a daughter, their first child, born Jan. 18 at Miami Valley Hospital in Dayton, O. The baby weighed seven pounds, 12 ounces and was named Sandra Lynn.

Mrs. Schreiber is the former Barbara Riecken, a daughter of Mr. and Mrs. Louis Riecken, 2544 East 27th street. Mr. Schreiber's parents and Mr. and Mrs. Irvin Schreiber of St. Louis.

Charles A. Nonn Dies; GC Alderman's Father

Charles A. Nonn, 84, a 51-year Granite City resident and father of five, died at 2:15 p.m. Monday at St. Elizabeth Hospital.

Mr. Nonn, who made his home with his son at 2711 Cayuga street, had been in declining health for some time, and was hospitalized Jan. 17. Death was attributed to complications of age.

Mr. Nonn Was Born in St. Louis, Where He Made His Home Before Coming to Granite City

Mr. Nonn was born in St. Louis, where he made his home before coming to Granite City. He retired 11 years ago from the Nestle Co. plant, where he had been watchman for 12 years.

A member of St. Joseph's Catholic Church, he was a charter member of the Tri-Cities Council of the Knights of Columbus.

His wife, Carrie, preceded him in death in 1947.

Surviving Mr. Nonn, in addition to his son here, is another son, Charles A. Nonn Jr. of Jennings, Mo.; a daughter, Mrs. Frank (Carrie) Hensen of Granite City; a brother, Anthony Nonn of Granite City; a sister, Mrs. Bertha Coleman, Evansville, Ind.; and two grandchildren.

A Requiem High Mass was conducted for him at 9 a.m. today at St. Joseph's Church, followed by burial in Calvary Cemetery, St. Louis.

An obituary is given elsewhere in this issue.

Mrs. Nellie E. Boger Dies; Ill Two Years

Mrs. Nellie E. Boger, 59, of 3502 Franklin avenue, passed away at 3 a.m. yesterday at St. Elizabeth Hospital, where she had been a patient since Monday.

Mrs. Boger had been ill two years with cancer, and had undergone surgery earlier. She had been under medical care at home for some time before entering the hospital.

Born in Pulaski county, Ill., she had been a Granite City resident 32 years. She was a member of the Second Baptist Church.

Surviving are her husband, Fred, two sons, Robert E. of Granite City and Melbourn of East Alton; a daughter, Mrs. Robert (Charlene) Sanders, Granite City; a brother, Henry Sharp, East St. Louis; a sister, Mrs. Jake (Gladys) Modlin, Granite City, and five grandchildren.

Funeral arrangements are given in the obituary column.

C. Of C. Congressional Action Leaders Named

Chairman for the Tri-Cities Chamber of Commerce congressional action committee were announced this week by Chairman Sam L. Meyer, who is making arrangements for a meeting of the 35-member group.

The subcommittee chairmen are: D. F. Little, inflation and spending control; James E. Harsh, tax reform; G. W. Hoelscher, labor legislation; Jon L. Dressel and Howard W. Kaseberg, federal control of business and agriculture; Richard A. Bromley, federal intervention in state and local affairs; and Kenneth J. Morrison, Social Security expansion.

The basic objective of the group, Meyer said, is to encourage the expression of personal views on major issues by the committee and C. of C. members.

GC Police Chief Attends State Meet

Granite City Chief of Police Raymond Willard returned Tuesday from a two-day conference of the Illinois Chiefs of Police Association held in Aurora.

Willard went to the conference with Wood River Chief James Buckner. Willard said over 120 chiefs attended the sessions which featured speeches by FBI instructors and representatives from the Chicago police department.

Hospitalized After Ice Fall; Others Treated

Mrs. Pauline Hensley, 42, of Rural Route One, was admitted to St. Elizabeth Hospital at 1:20 p.m. Tuesday after falling on the ice. She was reported in good condition, undergoing treatment for an injury to her left knee.

Also treated Tuesday was Phillip Leonard, 30, of 2508 Sheridan avenue, who sustained a deep laceration over his left eye. He was released after treatment at 4:45 p.m.

Recovering From Fall

Mrs. Virgie Gruggett, 38, is recuperating at her home on Rural Route One from injury to her right knee suffered last Friday in a fall on the icy pavement of a parking lot in the 2000 block of Madison avenue.

Twin Sons Born To Mr. & Mrs. Bobby Wallace

The first children born to Mr. and Mrs. Bobby Wallace, 2540 Hemlock avenue, were twin sons who arrived Tuesday at St. Elizabeth Hospital. The children also are the first twins born this year at the local hospital. They weighed four pounds, 10 ounces, and five pounds, eight ounces, and have been named Bobbie Lee and Robert Wallace.

The mother is the former Mary Smith, a daughter of Mr. and Mrs. William Minks, 2549 Pine street. The paternal grandparents are Mr. and Mrs. Robert Wallace of Dover, Tenn.

Planning Session Held For March Fashion Show

Mrs. Ted Vrenick, chairman of the March 6 fashion show of the Granite City Junior Service Club, held a meeting in her home, 1534 Cottage avenue, Monday evening and appointed committees to assist her in the show, to be held at Granite City high school.

Mrs. Vrenick was assisted in planning the show by the committee members: Mrs. Paul Morris, Mrs. Paul Knecht and Mrs. William McMurtry. She served a late dessert after the meeting. A meeting of all the committees will be held the next month.

Kahle Hdw. Furnace Back Flashes; \$25 Damage

A back flash in an oil furnace at about 10 a.m. Wednesday caused \$25 damage to the furnace at Kahle & Son Hardware store, 1909 Delmar avenue. Firemen from the main and West Granite stations answered the alarm, entering the store from the Niedringhaus avenue side.

They said the inspection plate on the furnace was knocked loose in a blast, which Earl Kahle, proprietor, said shook the building. The basement was filled with smoke. Firemen turned off the master switch, and Kahle summoned a repairman.

Venice Lions Club To Host Wives Next Month

The Venice Lions club held a regular dinner meeting Monday evening at the American Legion Home, with 22 members present. The business meeting was conducted by the president, Henry McMillan, and donation canisters for the blind were collected.

Plans were discussed for a "ladies' night" program to be held Feb. 3 at the officers' club at the Engineer Depot. A new member, William Hlavka Jr., was welcomed into the club.

MORE ABOUT
1962 UF Agency
 (Continued from Page 1)

Five agencies with its approval.

5 Agencies Hardest Hit

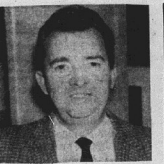

Five agencies, after special circumstances were indicated, suffered the greatest cut in allocations. The remaining 12 agencies took one per cent reductions. The five agencies with the largest cuts were the YMCA, the Girl Scouts River Bluff Council, Boys Town of Illinois, Illinois Children's Home & Aid Society and the USO.

Following are the Tri-Cities Area United Fund 1962 agency allocations with the pre-campaign allocation listed in parentheses: Aid to Retarded Children, (\$2500) now \$1800; American Red Cross, (\$36,770) now \$26,519; Boy Scouts, (\$38,900) now \$32,510; Boys Town of Illinois, (\$3600) now \$3070; Catholic Charities, (\$30,757) now \$30,457; Coordinated Youth Services, (\$14,000) now \$12,880; Girl Scouts River Bluff Council, (\$18,000) now \$15,830; Health Services Fund, (\$30,000) now \$2920; Illinois Children's Home & Aid Society, (\$2500) now \$2300.

Madison County Mental Health Clinic, (\$8000) now \$7920; Madison Teen Town, (\$4800) now \$4780; Protestant Welfare, (\$12,700) now \$12,580; Salvation Army, (\$20,056) now \$19,856; Visiting Nurse, (\$3200) now \$3270; YMCA, (\$52,376) now \$49,876; Y Teen Town, (\$8625) now \$8545; and the USO, (\$1000) now \$800.

Seven agency representatives were present at the directors meeting Tuesday but no resolutions were made from the floor.

freezes at night and causes further damage.

Side Streets Ok

Lucas said there is apparently little damage to side streets in Madison. "Actually, much of the breaking up (of pavement) won't come until after the ice is off," he said. "On Madison avenue, however, there are a lot of big dangerous holes," he warned motorists. They will not figure in Madison avenue is to be repaved next spring as part of a project which includes the removal of old streetcar tracks.

In Venice, Griffin estimates damage at only \$75 to \$80 at this point, where no apparent breakup in concrete streets has been noted. A ton of asphalt patching material should handle holes which have developed in side streets, he said.

All three cities had full street crews on duty, occupied chiefly with chipping ice away from catch basins. Warfield said the Granite City street department's grader could not be brought into operation to clear curbside parking areas because the ice, in some cases a foot thick, was too solidly frozen. The grader simply scraped the surface, he said.

All three street departments heads reminded motorists to exercise extreme caution while driving, since some chucks are deep enough to do damage to auto tires or suspensions.

Parked Car Struck

A parked car belonging to David H. Krull, 217 Denver street, was struck at 2:30 p.m. Tuesday on the Granite City high school drive by a north-bound car driven by Edward A. Bain, 17, of 727 North 26th street. Police said the Bain auto slid on the ice into the side of the Krull vehicle.

Granite City PRESS-RECORD
 Page 4 Thurs., Jan. 25, 1962

Madison School Board Amends 1961-62 Budget

School board members approved a \$1,161,272 amended budget Tuesday night for the Madison school district's 1961-62 fiscal year. A \$38,523 expenditure for an addition to Louis R. R. grade school brought about the amendment to the original \$1,102,749 budget adopted in August.

Tuesday's board action followed a public hearing, which immediately preceded the regular monthly board meeting. The proposed budget was accepted with the changes and referred to the board for action. Supt. Wm. L. Brown acted as chairman of the public hearing, attended only by the board members and a Press-Record representative.

The amendment was made to allow for payment of the contractor during 1961-62 on work performed this school year. A \$57,211 contract has been awarded to the Tom Studebaker construction firm and the 6 1/2 architectural fee to Virgil Dugger amounts to \$3312.

Most Funds Unchanged
 The new budget total of \$1,161,272 includes \$907,000 spending in the educational fund, \$112,602 bonds and interest, \$13,000 municipal retirement fund and \$12,180 transportation fund, all unchanged. The building fund, including construction expenditures, is raised from \$57,877 to \$116,400.

Under construction expenditures, \$30,000 will come from issuance of tax anticipation warrants and \$28,523 will be paid through loans from other funds of the school district, if needed.

Both amounts are listed in the income section under the non-tax revenue heading and are described as "income, if needed." The \$58,523 expenditure is listed as a capital outlay under non-operating costs.

Same Deficits
 The budget shows the same estimated deficits of \$37,740 in the educational fund and \$9484 in the building fund as the appropriation approved in the summer.

In other action, the board voted to hire Mrs. Virginia Washington as kindergarten teacher at Dunbar grade school. Mrs. Washington has been teaching that grade for the past two months as a substitute teacher. The board passed a resolution prepared by Attorney Austin Lewis stating that the annual school district election will be held Saturday, April 14, and the polls will be open from noon till 7 p.m. for the purpose of electing two members to the board of education.

Injury Reported
 The board acknowledged notification from Mr. and Mrs. Adam Turner, 1221 Logan street, that their son Taylor, 14, was injured at Dunbar school Jan. 24, 1961. The letter, which states that the family intends to take legal action, was referred to the school attorney.

The board approved payment of December salaries totaling \$49,676, including \$40,523 for instruction, \$4986 for custodians, \$2090 for school lunch, \$1303 clerical, \$476 attendance, \$325 health and \$153 for legal services.

December bills totaled \$27,062, which included \$21,335 in the education fund, \$3093 in the lunch fund and \$2634 in the building fund.

One clerical application for Dunbar school was accepted and placed on file. A letter of congratulations from the Tri-Cities Chamber of Commerce for Madison high school's recent basketball successes was read, and board members were reminded of an appreciation dinner for Madison County Superintendent of Schools Wilbur R. L. Trimpe in Collinsville on Feb. 8.

Barnes Invited To Washington Safety Meet
 Alvin T. Barnes Jr., executive director of the Associated Retailers and Civic Association, has been invited to attend a President's conference on occupational safety March 6-8 in Washington, D.C.

More than 3000 leaders of industry, labor, agriculture, government, education, health and private safety organizations are expected to attend the conference, once designed for reducing 13,800 deaths and nearly two million disabling injuries annually in on-the-job accidents, the invitation stated.

Barnes said the conference will be primarily concerned with the 80% of all job injuries occurring in non-manufacturing industries.

Son Born To Mr. and Mrs. Irvin S. Slate Jr.

Mr. and Mrs. Irvin S. Slate Jr. of Clayton, Mo., are announcing the birth of a son this morning at Jewish Hospital, St. Louis. The baby, who has been named Robert Dennis, has a sister, Elizabeth Ann, 16 months old.

The mother is the former Ann Steele, a daughter of Mr. and Mrs. Robert Steele of Steele, Mo. Mr. Slate's parents reside at 204 Benton street.

ATTENDANCE AT ANNUAL RETAILERS membership dinner topped 165 and shown above is a portion of the

ASSOCIATED RETAILERS OFFICERS elected and installed Tuesday evening. Left to right: Fred Williams, treasurer; Al Froeming, vice-president, credit bureau; Bernard Miller, secretary; Stanley Schermer, vice-president, retailing; Joseph Glik, vice-president, collection; Maurice Rich, president, and Alvin Barnes Jr., executive director.

MORE ABOUT Retailers Elect Officers

(Continued from Page 1)

Morris Realty; John R. Smith, Hamletown Loan Co.; R. R. Rich, Rich's Sinclair Co.; Leon Berger, Leader Department store; R. L. Toburen, First Granite City National Bank; Del Wittenborn, P. N. Hirsch & Co.; Earl Harris, Surplus store, and Herbert Schermer, Schermer's Men's and Boys' store.

Nominations were presented by Toburen, chairman of the committee, and the installation was conducted by Fred Williams, President. Rich was presented with a gift from the retiring board members by Claude Cochran.

In his annual report, Rich stressed the continued efforts to provide off-street parking facilities and remodeling of store front and facilities in the downtown district, and also told members the association ended the year "in the black" after completing record years in the credit bureau and associational transactions.

Topic Discussed

Discussion leaders were Joseph Glik, "discount theories," Homer Huber, "store policies," Ted Berger, "Sunday closings or openings," Wally Gauen, "shoplifting," Sidney Jacobson, "night openings," and Stanley Schermer, "promotions."

Joining in the discussion on Sunday openings and closings were the three state representatives and Alderman Mrs. Gabrielle Bettine. Rep. Smith said that with support of the retailers, he was certain the legislature would give full attention to restrictive legislation at its next session. However, Reps. Simon and Harris pointed to a state Supreme Court ruling handed down this week on a new state law, held in abeyance since its passage at the last session, declaring it unconstitutional since it was directed only at prohibiting the sale of new used cars, taking would be limited.

With the topic interest

certains. Berger said a committee would be named to survey the retailers and prepare a report. Mrs. Bettine reported the city council had gone on record opposing Sunday operations.

Courteous Service Stressed

Glik said the forced Sunday closing of mass merchandising stores (discount houses) in Missouri, which had been doing 25% to 30% of their business on Sunday, a move to Illinois could be expected. He said courteous service and additional time spent cultivating customers and more well as constant watch on cost cutting methods, would offset this added competition.

Huber stressed increased utilization of free delivery service available to Quad-City stores and customers. Discount house customers, he said, are forced to struggle with their purchases, and he predicted the novelty would wear off. He said local store owners through mass customers, adding that with their problems and striving to satisfy customers through beneficial policies on will call, refunds and returns, should provide the service not found at discount houses.

MORE ABOUT Council Expected

(Continued from Page 1)

who said the new committee arrangement had resulted in ill feelings between aldermen, where previously there had been harmony. LeMaster said the report gave the council "no new information," since the council through department heads is able to keep in touch with activities of employees. He added that aldermen are not being kept informed by council members in advance of the matters to be taken up at a council session, and the results were probably due to inexperience in committee operations. She said aldermen were excluded from the committee chairman sessions and LeMaster related how confusion

Dr. Mann pointed out the entire purpose of an agenda is to advise council members in advance of the matters to be taken up at a meeting. He reminded aldermen they usually had no such information prior to the adoption of an agenda as presented in the press.

Mrs. Bettine also criticized the committee's methods, adding that the results were probably due to inexperience in committee operations. She said aldermen were excluded from the committee chairman sessions and LeMaster related how confusion

count houses. He also urged improved relationship with the city government, and a united front for retailers in facing any problems.

Consideration of an extension of evening hours was suggested by Jacobson, who pointed out the trend throughout the area for 9:30 p.m. closing hour on more nights a week. "The worker gets home, he eats supper, he sits with the dishes and then it's seven o'clock or later, giving them little time to get to a store to shop before it closes at 8:30 on Mondays and Fridays. Take a clue from other areas," he urged.

Weekly Sale Promotions

In outlining sales promotions, Stanley Schermer said a weekly pattern should be considered by store owners rather than a schedule of five times a year. He suggested retailers take advantage of courses and materials available to improve business and said he would spend the next few weeks surveying merchants for their ideas on additional promotions.

Losses due to shoplifting, running into hundreds of dollars each year, he said, are the result of an influx of professional thieves. Gauen said that the retailers should become more vigilant and alert their clerks to cope with the problem which is growing more acute as store hours are lengthened. He said approximately nine out of 10 cases locally are being reported, and merchants are receiving full cooperation of police departments in the three local cities.

Results of a business questionnaire were reported by Executive Director Barnes. The survey showed a majority of local stores did increased business in 1961. He expected gains to remain even. Of 59 stores reporting, 28 said discount stores had hurt their business. He said "no." The vote for more promotions this year was favored 45 to 6.

members in two of the three dining rooms of the Rose Bowl restaurant.

Free-Room Staff Photographer Zoning Assures Freedom

(Continued from Page 1)

tached part of any zoning district, follow:

Agriculture district, 40 acres; R-1 and R-2 one-family residence districts, five acres; R-3 and R-4 one-family residence districts, two acres; R-5 multiple-family residence district, one acre; B-1 limited business district, B-2 general business district, and B-3 highway business district, one acre; B-4 wholesale business district, one acre; M-1 limited manufacturing district, five acres; M-2 general manufacturing district, 10 acres; M-3 heavy industrial district, 20 acres; and floodway district, no minimum area.

The section dealing with the agriculture district provides that land and buildings at all existing farm uses can be used for all agricultural purposes—agriculture, horticulture, forestry, crop and tree farming, truck farming, gardening, nursery operation, dairy farming, stock raising and other domestic animal and poultry breeding and raising, along with operation of machinery and vehicles incidental to these uses.

Roadside Stands

Some farmers like to set up temporary roadside stands to sell agricultural products grown on their property. They could continue to do so under zoning.

Agriculture districts provide for one-family detached houses erected in the future to be located on an area of one acre or more, which may be devoted to farm purposes.

Every church, rectory or other religious institution built in farm districts in the future is listed for two or more acres. Future buildings and structures, other than a permitted sign, would be at least 50 feet from existing or proposed street or highway.

Agriculture districts also could include schools, playgrounds, home occupations, parks, forest preserves, publicly-owned recreational areas, racetracks, golf courses (with no golf course building nearer than 500 feet to a home), temporary buildings during construction work, advertising signs up to 300 square feet each, and public utility facilities.

Special Land Uses

In addition to the mutually compatible uses, the zoning ordinance recognizes that other uses may be necessary or desirable but by their nature must be carefully regulated to protect neighbors or public facilities. Such special uses can be allowed by special permits if the more detailed requirements are met.

Special uses for the agriculture district include mining, loading and hauling of materials and minerals, farm machinery sales and repairs, animal feed storage and grinding, welding shops, cemeteries, colleges, commercial poultry and livestock feeding, dog kennels, fertilizer storage and sales, filling of quarries or lowland with non-combustible material free from refuse and food wastes, fur-bearing animal farms, grain elevators, greenhouses, gun clubs, milk depots, milk processing and distribution, planimetric institutions, penal institutions, private clubs, private recreational areas or camps, public pumping stations, reservoirs, treatment plants and governmental stations, commercial radio and television towers, railroad tracks but not yards, nursing homes, hospitals, fruit, vegetable, flower and plant sales yards, sanitary land fill operated or supervised by the County Board of Supervisors, airports, passenger depots and truck parking areas.

Daughter Born To Former Resident

Word has just been received of the birth of a daughter this morning to Rev. and Mrs. Thomas A. Lauffer of Holyton, Ill. The baby weighed seven pounds, 14 ounces. The couple has another daughter, Kathleen Sue, three years old.

Mrs. Lauffer is the former Patricia Durell, a daughter of Mr. and Mrs. Frank Durell, 2825 East 25th street. Rev. Lauffer is pastor of Zion United Church of Christ in Holyton.

Dr. Mann added that the plan for committee meetings was to present their problems to the proper officials. "For these committee meetings, you could call in department heads and hold full-scale conferences," he explained. Bartisk questioned the city's financial ability to carry out the SUI program. Dr. Mann said that the recommendations would have to be carried out in the future, when finances permitted, and to further advise the alderman said he did not believe Granite Cityans were being overtaxed at present.

SOCIETY

UPW Board Sets Dates For Events

An executive committee meeting of United Presbyterian Women of First Presbyterian Church was held Tuesday in the church parlors with nine officers present.

Devotions relating to the Synod of New York and the opening prayer were led by Mrs. George Holtzsch, president, who conducted the business session.

Reports of the secretary and treasurer, Mrs. R. N. Johnson and Mrs. Henry George, were heard; and Mrs. Otto Grosse, fellowship chairman, reported on the plans for the mother-daughter birthday dinner scheduled for Feb. 6 at 6:30 p.m. Mrs. Isabel Schmidt will be in charge of the program, and tickets may be secured by contacting Mrs. James Spinks.

Mrs. J. H. Garner reported the association would be hostess for the World Day of Prayer March 9 at the church, and Mrs. J. W. Sereff, World Service chairman, and Mrs. Wilford Cooley announced that mission programs will be taken from the book "Journey Into Understanding For 1962" for city church work. The Canine Presbyterian Church of Wolf Point, Mont., H. Orndorff, pastor, was accepted as the National Mission and the Ecumenical Mission goal is 500 handbags for the Christian Medical Hospital in Yellowknife, Alaska.

Mrs. E. L. Beeler, contact secretary, reported the orphan sponsored by the association at the Severeville Church of God Home in Tennessee was remembered at Christmas and on her birthday.

Plans were made for devotional services during Lent to be held each Tuesday from 12:30 to 1 p.m. and an all-day meeting March 29 on the mission study of Alaska. The meeting closed with a choral benediction by Mrs. Holtzsch.

The next general business meeting will be March 6, and an executive meeting will take place April 24.

LECTION AUXILIARY HOLDS MEETING

The American Legion Auxiliary, Post 113, met last night and approved several contributions, including the March of Dimes, Leonard Wood Memorial Fund and the United States Hospital. Plans also were made to work in the Heart Fund drive.

The remainder of the time was spent at games, with prizes going to Mesdames Ada Cecil, Lucille Cooper, Rose Mero, Loretta Goeller, Cecilia Molitelli, Ella McKittick, Dorothy Johnson, Ethel Pettit and Miss Brenda Morris.

MR. AND MRS. WILLIAM GORBE of Rural Route One, who will celebrate their 60th wedding anniversary Sunday at a family party in their home.

Wm. Gorbes To Celebrate 60th Anniversary On Sunday

Mr. and Mrs. William Gorbe, Rural Route One, residents of Granite City for the past 50 years, are celebrating their 60th wedding anniversary Sunday with a family dinner at their home.

Mr. Gorbe is 82 and his wife is 75. They have two daughters, Mrs. Mary Gorney of Granite City, and Mrs. Roy (Rose) Landreth of St. Louis, four grandchildren and three great-grandchildren, all of whom will be here for the dinner party.

Mr. and Mrs. Gorbe both lead active lives, despite their years. He enjoys working in his vegetable and rose gardens and Mrs. Gorbe does all of her own housework and cooking, including baking her own bread and rolls. Before retiring Mr. Gorbe was a baker.

The couple was married Jan. 25, 1902.

Wortham-Elliott Wedding Tuesday

Miss Elaine Elliott, a daughter of Mr. and Mrs. Smith Elliott of Dover, Tenn., and Carl Edward Wortham, a son of Mr. and Mrs. Everett Wortham, 4299 Maryville road, were married Tuesday evening at the home of Rev. Ralph Ellsworth, pastor of the West Side Church of Christ in Edwardsville.

Attendants were Miss Donna Willard and Larry Wortham, the bridegroom's brother. Only the immediate families witnessed the ceremony which took place at 7:30 p.m.

The former Miss Elliott was graduated from the Dover high school in 1950 and Mr. Wortham was graduated the same year from the local high school. He is employed by the Granite City Steel Co. They will reside at 2226 State street.

OES OFFICIAL VISIT POSTPONED

The official visit of Mrs. Isla K. Somers, worthy grand matron, to Granite Chapter 650, Order of Eastern Star, which was to have been made Friday evening, has been postponed due to illness, and instead grand chapter committee members will be honored.

The meeting will be held at 7:30 and Mrs. Karmyn Edmonds, worthy matron, and Thomas Bryar, worthy patron, will preside in the East.

Sorority Plans Convention Here

Phi Beta Tau Chapter of Beta Sigma Phi sorority met last night in the home of Mrs. Shirley Bailey, 1634 Third street, Madison, and plans were made for a rummage sale in March and for the Beta Sigma Phi convention here in April.

The names of "rose buddies" or "secret pals" were drawn for the coming year and plans were made for initiation ceremony for two candidates at the Feb. 13 meeting.

A discussion program was conducted by Mrs. Bailey and Miss Diane Sellers, and refreshments were served to 11 members. The next meeting will be Feb. 28 with Miss Sellers, 1809 Rhodes street, Madison.

CLUB MEETS WITH MRS. JOAN MYERS

Mrs. Joan Myers was hostess to the Outerspace Innerflight discussion Club last night.

Present were Mesdames Betty Leavitt, Minnie Clay, Arnie Barfield, Marge Henshaw and Betty Jo Harvath. Games were played and Mrs. Leavitt was winner of the hostess gift. The next meeting will be with Mrs. Barfield, 2575 Washington avenue.

SREENS & STORM INSERTS REFRIGERATED, GRANITE CITY GLASS, JETI & EDISON.

Party Held At Willmore Home

A pizza party was held last night at the home of Mrs. Joyce Willmore, 2600 East 27th street, by Epistol Eta Chapter of Epistol Sigma Alpha, and the evening with the game "pass words" and Miss Lana Winters, who are to be February brides, were given surprise kitchen showers.

The latter part of the evening was devoted to listening "The Twist" under the direction of Mrs. Marilyn Price.

Others present were Mrs. Janice Bilelo, Mrs. Lucille Fritschuh, Mrs. Carol Grove, Mrs. Judy Hinterer, Miss Harriet Dix, Miss Virginia Judd, Mrs. Nancy Sabo, Miss Janice Steinhauer and Mrs. Faith Malone of St. Louis, an honorary member. Prizes were won by Mrs. Willmore and Mrs. Malone.

ATTEND PAST RECENT MEETING

Mrs. Neva Werthe, Mrs. Iris Chastain and Mrs. Emma Laird attended a meeting of the Past Regents of the Women of the Moose, Chapter 247, Monday evening in the home of Mrs. Clara Wagner in Collinsville. Refreshments were served and all of the local members were prize winners.

TAXES? C. JUNGLES — 1924 EDISON

Theta Iota Meets At Calve Home

The home of Mrs. Juanita Calve, 3021 Dale avenue, was the place of meeting last night for Theta Iota Chapter of Beta Sigma Phi sorority.

Mrs. Beatrice Brackett presided and there was a discussion of plans for a family night party Friday, and of the area council meeting here in which all chapters of the sorority will participate.

The cultural program was conducted by Miss Ruth Stoy and Miss Alice Holshouser presented "The Garden."

Mrs. Delores Dorth was awarded the "round robin," a bakery product, and the special prize to Mrs. Alice Konecny. A dessert course was served by the hostess.

WOMEN OF MOOSE PLAN CONFERENCE

A regular meeting of the Women of the Moose, Chapter 247, was held last night at the Moose Hall with Mrs. Mary Murgic, senior regent, in charge. After the business session there was ritual practice and final plans for the mid-winter conference to be held here at 1:30 p.m. Sunday.

Plans also were completed for the "Queen of Hearts" ball on Saturday Feb. 10.

Forty-four were present at last night's meeting and prizes were awarded to Mrs. Murgic and Mrs. Mary Merz.

Wounded Officer

(Continued from Page 1)

Heaved to have entered a lounge pillow before striking Harris.

"He'd have got away if it hadn't been for Diak," Harris said, adding that his companion stepped in smoothly and knew what had to be done. "Diak took the initiative and actually apprehended Arney," Harris pointed out.

Trouble Before

Willard said police have had trouble with Arney before. On Dec. 3, 1960, officers were sent to Arney's house on a report that he had been shooting holes in the floors. Police found Arney in the 2200 block of Benton street shortly thereafter. He was apprehended and charged with flourishing a deadly weapon, refusing to obey, creating a disturbance and drunkenness.

That time he drew a gun on Officers George Galias and Everett Kelly. Arney pleaded guilty to the four charges and was fined \$180 plus court costs.

"When he (Arney) fell on the back porch Monday he was breaking the gun down and had cartridges out trying to reload," Harris said.

OBITUARY

PARADIES, ELMER, Whittier, Calif. Entered into rest Tuesday, Jan. 23, at the Veterans Hospital, Westhaven, Conn. Beloved husband of Mrs. Janet Paradies; dear father of Peter Paradies; dear brother of Mrs. Theresa DeGonia, Mrs. Bertha Burns, and Leo Schenck.

His remains will be returned to the LAHEY FUNERAL HOME, 501 Madison avenue, Madison, where arrangements are pending.

COTTON PICK-UP

You can give dark cottons a perked-up look with a little vinegar mixed in the second rinse when you launder them. Rinse again in clear water.

Contrary to rumors that Harris was working for another officer that night, he was on his regularly scheduled shift. Harris is the "swing man" this month and has three different riding partners a week — filling in for day's off. Saturday and Sunday nights this month he works for Patrolman Joseph Barchenky.

Accident Charge Filed

Charged with failing to yield right-of-way at 7:55 a.m. today was Holden D. Parkerson, 51, of 1915 Fourth street, Madison, who posted his driver's license as bond. Police said he was pulling out of a Granite City Steel Co. parking lot in the 1700 block of Madison avenue when he collided with a northbound car driven by Elsie Matyski, 40, of 3135 Colgate place.

Peter Genovese Jr. In College Play

Peter M. Genovese Jr., 2011 Wilson avenue, will play the role of "Mr. Fabry" in "R. U. R.," the winter production of the players of Eastern Illinois University in Charleston.

Survivors include his wife, Janet, a son, Peter, of Whittier, two sisters, Mrs. John (Theresa) DeGonia, Granite City, and Mrs. Earl (Bertha) Burns of Detroit, and a brother, Leo Schenck of O'Fallon, Mo.

He will be returned to a Madison funeral home for services, arrangements for which are pending. An obituary is given elsewhere in this issue.

Rites Today For Mother Of Mrs. Marie Stieb

Funeral rites were held at 10:45 a.m. today at St. Paul's Catholic Church, Highland, for Mrs. Helen Raebler, 88, mother of Mrs. William (Marie) Stieb of Granite City. Burial was in the St. Joseph Cemetery there.

Mrs. Raebler died at 12:05 p.m. Tuesday at the home of another daughter, Mrs. Myrtle Ritt, at Highland. She had previously lived in Grantfork.

Other survivors include two other daughters, a brother, a sister, seven grandchildren and 14 great-grandchildren.

Press-Record SPORTS

Long Leads SWC Cagers; 24.4 Average

Sailing along at a 24.4 clip East St. Louis high school's 1962 team continues this week as the leading scorer in the Southwest Illinois basketball conference.

Long, who pumped in 24 points in his last conference outing against Alton, now has 171 markers in seven games. His closest challenger continues to be Collinsville's Roy Matkulis, who is averaging 19.7 with 133 points, also scored in seven SWC contests.

The leading marksmen in the conference:

DeMolay Rifle Team

Tops In Region 7;

Will Receive Trophy

Final tabulation of points shows that the Granite City DeMolay chapter's rifle club has gained first place in Region 7 of the 1961 DeMolay international postal rifle matches, the club learned from the international DeMolay council this week.

The club fired a 716 score to take top honors in the region, which includes the states of Illinois, Wisconsin, Ohio, Indiana and Michigan. The 716 was the third highest score fired by the 61 teams competing for the national DeMolay championship.

The team will receive a trophy from the National Rifle Association of America.

Members of the squad are Robert Moore, Gary and Charles McConnell, Michael Reed and Robert Ray. Advisor is Roy Williams Jr., assisted by Granite City Police Lt. Paul Moore, Donald Parney and Charles Voss.

Warriors Tackle Conference Leader Belleville, Alton In Weekend Play

Granite City, the only member of the Southwestern Illinois basketball conference averaging less than 60 points per game, will have to come up with additional scoring punch this weekend if the Warriors hope to break out of a six-game slump in the tough league.

The Redmen will face two high-scoring quintets in two nights, one of them leading the conference with a 7-0 mark and the other smarting from two close losses and probably on the rebound.

Tomorrow night, Andy Sullivan's group will troupe Belleville to face the Warriors, who have shown an ability to win the close ones in SWC play.

Jerry Turner's team is on top 7-0 due chiefly to a pair of one-point victories—53-52 over Collinsville early in the season, and 61-60 over Alton last Saturday.

Maroons Won Earlier

If comparative mean averages mean anything, the Maroons should not have the same difficulty in defeating GCIS tomorrow night in a contest which begins at 8:30. Belleville is rimming points at a 64.7 average inside the conference, while the Warriors have a 46.0 average.

The Maroons also will enjoy the home court advantage, a factor which was not necessary on Dec. 15 when they scalped the Warriors here, 66-32.

Sacred Heart, St.

Bartholomew Win In

Church League Play

A late rally by upset-minded Tri-City Park Tabernacle fell one point short in the park district's Church League play Monday night at Coolidge junior high school as it lost to favored St. Bartholomew 75-56. In the

nightcap, a 33-point fourth quarter helped Sacred Heart defeat St. Joseph's with ease, 80-47.

Paced by Glen Sprancie's 32 points and Mike Trtan's 17, St. Bartholomew fought off a stubborn Tri-City Park squad to win its fourth win in seven starts.

The losers were led by Eldon Jackson with 21, and Lee James added 17.

Paul Mosby's 30 markers and 12 points apiece from Ony and Dale Pascoe were all Sacred Heart needed to whip St. Joseph. Effe Costello was the only player to hit double figures for the losers with 12 points.

The return of 6-7 George Moore to the lineup, plus experience gained by the Warrior variety, which is made up about 80% by sophomores and juniors, could make a difference.

Belleville is riding the crest of a six-game streak which includes the title contest at the recent Dupo tournament. A veteran outfit with good size, the club boasts four regulars who are scoring better than 10 points per game in the SWC this season, topped by 6-5 Barry Jackson's 15.4 average.

Guards Feed, Shot

Key to the Maroons' success thus far (a 14-1 overall record) has been the excellent play of guards Roger Hecht and Gary Hearme, a nervous pair who feed the big men (Jackson and Dave Renn) well, or pop away effectively from outside when the defense sags to prevent the close-in shot.

On Saturday night, the Warriors will be at home to Alton in a hot-shooting team which gave undefeated Madison trouble before bowing in the East St. Louis holiday tournament, and a squad probably bent on revenge by two close losses in conference play last week.

In addition to the previously mentioned 61-60 loss to Belleville last Saturday, the Redbirds were on the short end of a 69-66 score at East St. Louis the previous Thursday, and are in

fourth place in the conference standings (2-4), a lower position than Alton squads are used to occupying.

Shoemaker, Jones Leaders

Granite City will have to contend with two consistently high scorers in Larry Shoemaker (16.5), and Bob Jones (16.0) and other members of Mel Sheel's squad.

Sheets has had trouble in locating a dependable fifth man to complete his starting five. Dale Kuhn may get a shot at rallying down the position Saturday.

The Redbirds, 7-7 for the year, and Warriors have not met previously this season. Their second match is set for Feb. 23 in Alton.

Other Southwestern action this weekend finds East St. Louis at Collinsville and Edwardsville at Alton, both on Friday evening.

Wood River plays host to the state's second-ranked team, Centralia, Saturday night.

Wright Scores 34

As Trojan Freshmen

Nip Collinsville

Hayes Wright poured in 34 points, including the last six of the game for his team, as Madison high school's freshman basketball squad turned back Collinsville in Madison Monday night after a see-saw struggle, 52-49.

Wright's first bucket in the final flurry broke a 46-46 tie, and put an end to a Collinsville rally which began early in the third period. The rally had enabled the Little Hawks to gain a one-point lead midway through the final quarter.

Madison ran to a 17-11 first-period lead, and expanded it to 27-15 at halftime. But Collinsville outscored the hosts of Coach Joe Asperger 20-9 in the third quarter, employing a pressing defense to close the gap to 36-35 as the final eight minutes began.

Wright scored two driving layups and a pair of free throws in the final two minutes to put Madison on top to stay. Gibson had 11 points for the visitors and Parker added 10.

The Trojans' fresh are now 3-2. Madison's sophomore team will play in Granite City Monday at 6:30 p. m.

Madison Cagers Run Unbeaten Skein To 15 Games

Trojans Are Sluggish But Overpower Dupo 80-44; Play Cahokia Tomorrow

If any school remains unconvinced as to just who is the kingpin of the Midwestern basketball conference this season, it must be Cahokia.

Earl Lee's Comanches have yet to meet the Madison Trojans and, after watching the Big Green mop up the floor with Dupo in Madison Tuesday night, Lee might well wish he could postpone that meeting, which is scheduled tomorrow night in Cahokia.

Madison, playing sluggish and rather fundamental basketball—Lee wasn't the only visiting fireman in the stands—still found time enough to reach orbital scoring heights against the "slow it down and set it up" tactics used by Coach Paul Taylor, who watched his club soak up an 80-44 loss, its second to Madison during the current campaign.

6-0 In League Play
The Trojans have now met and conquered, by sizeable margins, every team in the MWC at least once—with the exception of Cahokia—and are now 6-0 in the league.

The Dupo debacle also stretched Madison's season win streak to 15 games as the Trojans remained the only major unbeaten prep basketball power in this section of the state.

Trojan Coach Earl McClanahan, a hard-to-please Scotman even when his club scores 80 points in un-Scotchlike fashion, frowned a bit in the club's dressing room after it was all over. "Not a single fast break; we didn't score on a single fast break," he said, referring to the streak-in-trade offense which has carried Madison this far unbeaten, but was absent on this occasion.

Shoot 81%
That he couldn't argue with the Trojans shooting. After a relatively cold first few minutes, during which they adjusted to Dupo's controlled style play, Madison went on to rim 54 of 67 shots, about 81%. Dupo was held to just 37 field goal attempts, and only 12 of them fell through.

The Trojans started within range for one quarter, 12-17, and then faded into the jungle of waving arms which is Madison's pressing defense. The Trojans hit nine of 20 shots in the second quarter and had it all wrapped up at halftime, 38-19.

Don "The Ed" Freeman was never more slippery as he cantered a couple of impossible shots, totaling 25 points and pulled down 17 rebounds for the winners. Madison had 48 as a team against the smallest team to take the court for Dupo in several years.

Also on the bright side for Madison was the good ball handling of Ken Griggs and Ed Petty, and another well-balanced scoring effort which found four Trojans in double figures, Bob Haynes had 14 points and nine rebounds.

Andrews Misses Game
Missing from the starting lineup was Terry Andrews, who was

CORNERED. Dupo's Bobby Nunn (with ball) wasn't the only player to find Madison's press troublesome Tuesday night when the Trojans and Tigers met at Madison in a Midwestern conference basketball game, but in this instance he finds all roads blocked by Don Freeman (right) and Ed Petty (No. 50), who keeps a close watch over Dupo D. Nunn, 80-44, for his 15th straight this season, and raised its conference record to 6-0.

Grange City PRESS-RECORD
Page 8 Thurs., Jan. 25, 1962

Madison, Belleville, Cahokia, Cathedral Pace Area Teams

Madison's Trojans, fourth-ranked team in the state, continue to display the best record among major high school basketball teams in the Illinois Metropolitan Area.

The Trojans, at 15-0, are one of three unbeaten quintets currently listed among the top 15 in the state. Belleville (14-1) and Collinsville (12-2) are also high-ranked as the result of their outstanding records.

Beginning to draw considerable notice is the current Cahokia Catholic, which won its 11th game against four setbacks Tuesday night. The Crusaders have the fourth best win-loss percentage in the area.

Venice GS Defeated Twice By Bethalto

Reggie Barham poured in 22 points as visiting Bethalto grade school defeated Venice Tuesday night in an eighth grade basketball game, 46-35.

Venice could not get rolling, and trailed 26-9 at halftime. Terry Cooper had 22 points for the Trojans, and teammate Richard Esington added nine.

Bethalto also captured a seventh grade contest, 48-21, after leading 20-10 at halftime. Denny Hill led Venice with six points. Venice will play two games at Wood River Friday, the first beginning at 6:45 p.m.

Central 7th Continues Unbeaten; Prather Wins

Central school's seventh graders, the only remaining grade school team in the Quad-Cities with an unbeaten record, made it 10 victories in a row Tuesday night when they defeated Prather on the losers' court, 26-17.

Dennis DeMontroll scored 11 points and Terry Moore 13 for Central, which led 13-11 at halftime. Joe Martinez topped Prather with nine.

Prather's eighth graders won the follow-up contest, 24-19, with Jim Rains scoring eight markers for the victors. Len Revelle had 10 for Central, which trailed 12-7 at intermission.

Central will meet Coolidge at Coolidge Monday at 4 p.m., while the Prather cagers are at home today at 4 p.m. to Madison JHS.

COOLIDGE MATMEN WIN TWO MORE; TAKE 11-0 RECORD TO ROXANA

Coolidge Junior high school wrestlers will be shooting for their 12th straight win in an undefeated season this afternoon when they travel to Roxana for the first of two meetings with that school's squad.

Bob Moske's Braves lengthened their unbeaten streak to 11 dual meets this week by scoring a 34-11 win over Florissant JHS here Monday and then pinning 48-0 shutout on host Belleville Tuesday night.

The match results at Belleville:

35 pounds — Richard Eledor (C) defeated Gary Kelso, 17-10; 103 — Harry Briggs (C) won by forfeit; 112 — Terry Tessary (C) pinned Bill McKelvey, 3:30; 120 — Steve Shaw (C) defeated Roger Stuber, 7-0.

127 — Tom Mofsky (C) pinned Chris Bonmartio, 1:10; 130 — Tom Craycraft (C) decisively Allen Rothenbuecher, 3-2; 138 — Mike Mounce (C) decisively Dave Seibert, 10-6; 145 — Ernie Kern (C) pinned Joe Jerold, 1:48.

154 — Jerry Line (C) pinned Marty Barkmann, 4:55; 165 — Gary Forshee (C) pinned Don Cramer, 3:50; 180 — Ken Brew (C) decisively Bob Bailey, 9-1; heavyweight — John Evenden (C) decisively Dennis Witts, 11-9.

The match results Monday at Florissant:

35 pounds — Richard Eledor (C) decisively Tom Seiden, 6-3; 103 — Steve Cavanaugh (C) pinned Craig Sanguinet, 9:40; 112 — Cliff Alligier (F) decisively Terry Tessary, 5-1; 120 — Ron Chilton (F) decisively Steve Shaw, 6-4.

127 — Tom Mofsky (C) pinned Joe Perky, 5:39; 138 — Frank Miller (F) decisively Tom Craycraft, 5-2; 138 — Mike Mounce (C) decisively Made Rutledge, 4-2; 145 — Ernie Kern (C) and Ken Holubeck drew, 1-1.

154 — Jerry Line (C) pinned Gary Davis, 3:37; 165 — Gary Forshee (C) decisively John Bathe, 5-2; 180 — Ken Brew (C) decisively Frank Hohengarten, 2-1; heavyweight — John Evenden (C) pinned John Stephens, 3:28.

In exhibition bouts, Les Mitkos, Larry Weaver and Bill Smith won decisions for Coolidge, while John Kozvak was defeated.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record

Jan. 28, 1937

Patrolman Henry Hahn, a member of the Granite City Police Department for 22 years, was off duty Tuesday night on account of illness for the first time in his career.

He reported for duty but was unable to continue after working several hours and went home. The next night he was back, although he still showed some of the effects of his severe cold.

Petitions are being circulated by a committee headed by A. W. Morris, among downtown business men, requesting the city council to undertake negotiations with the Illinois Light & Power Corp. for the purpose of getting the white way lighting system in operation.

The system is badly run down and there is a total debt of approximately \$18,000 against it which has accumulated over a period of nearly three years.

Cascade Temple 216, Pythian Sisters Lodge, held its annual installation of officers at the Masonic Temple last night, with approximately 200 in attendance.

Those taking office were: Leona Weiss, outer guard; Mrs. Lillian Graf, protector; Mrs. A. H. Richter, manager; Mrs. Ida Crain, excellent junior; Mrs. Ella Goff, excellent senior; Mrs. Virginia Hickman, most excellent chief; Mrs. Audrey Mitchell, past chief; Mrs. Pearl Retscher, mistress of finance; and Mrs. Clara Gaume, mistress of records and correspondence.

For the second time since Jan. 7, Rev. Eugene Weiss, pastor of the Tri-City Park Temple, has been the victim of a disastrous fire, started, he fears, by someone who is trying to rob him from the community as a preacher.

The first fire occurred early in the morning of Jan. 7, when the large frame building in Tri-City Park, in which he conducted services, was burned to the ground. The second occurred at 1:15 a.m. today when his wife discovered their home at 1852 Edwardsville road in flames.

The future of the American Price System, as Seen Through the Eyes of a Technician, was the subject of discussion at yesterday at the weekly noon luncheon of Madison Rotarians. The guest speaker, George W. H. Smith, known Madison businessman, and an active member of the organization teaching the technique, had no hesitancy in stating that the American price system is doomed to pass out of the picture.

Episcopal gave his reason for predicting its downfall the rapid advancement of the machine age, and he claimed the cause of this, whether we like it or not, we will soon be compelled to enter into competition with use rather than profit.

A very pleasant social evening was held last evening at the YMCA club rooms when the Optimists played bridge with their wives. Pinochle and bridge were indulged in until a late hour, when the very lively and interesting game of dominoes was played at a delicious lunch. The regular domino meeting scheduled for today was postponed until next Thursday.

Anxious to do their part in helping to raise money to assist the thousands of families who have been rendered homeless by the disastrous flood in the Ohio Valley, Carl Bolin, Venice High School coach, the Eastern League, coached his basketball players, champions of the Tri-Cities, started ready to play in the basketball game and donate the entire proceeds to the flood fund.

Bolin has already sent hurried invitations to several outstanding teams in southern Illinois and also in Indiana, and will select what he thinks to be the strongest opposition from among those who accept his invitation, and is desirous of booking the game at an early date. He will also welcome a large crowd with the largest possible seating capacity to accommodate the record crowd anticipated.

With a thrilling victory in the last bout of the match, Tedmick Fisk, Madison high school heavyweight wrestler, gave his team a 19-14 decision over Ferguson here Tuesday night.

Richard Armfield arrived here today from Columbia, Mo., where he is attending the University of Missouri, to spend a short vacation between sessions with his parents, Mr. and Mrs. Clarence Armfield.

Mrs. Elva Wheeler was installed as noble grand of the Rebekah Lodge, Delta Chapter No. 786, during its annual installation Tuesday night at the Odd Fellows hall on Third street, Madison.

Others installed were Mrs. Charley Noonan, noble grand; Mrs. Mary Mortenson, noble grand; Mrs. Pearl Phipps, secretary; Mrs. Lucilla Thomas, financial secretary; Mrs. Margaret Brown, treasurer; Mrs. Matilda Whelan, chaplain; Mrs. Althea Gray, conductress; Mrs. E. M. Kerkhulen, warden; Mrs. Anna Hulse, right supporter of the vice-regent; Mrs. Mary E. Hulse, left supporter of the vice-regent; and Mrs. Bessie Louis, left supporter of the noble grand.

The Happy Warrior cagers of Community high school won their second game in 15 straight Monday night when they defeated Ed-

wardsville 32-20 in a non-conference tilt there.

The team took a 6-4 lead in the first quarter and steadily increased it until the score going into the final period was 19-0. Purvins was high point man with 11 points.

Among those who won prizes Wednesday afternoon at a meeting of the Little Four club were: Mrs. Roy Klare, Mrs. Anthony Kohl, Mrs. Lester Lenzen, Mrs. Nic Vallmer, Mrs. J. E. Groves and Mrs. Edward Fancher.

Mrs. Stanley Green was the winner for the afternoon, and others present aside from the above mentioned were Mrs. Roush, Mrs. J. J. Moore, Mrs. W. Genard and Mrs. Gus Lucido.

The Congenial Pinochle Club

had well Wednesday, with Mrs. Homer Hausaus as hostess.

Mrs. A. J. Shannon was an invited guest, and the ladies of the club present were Mrs. F. L. Huddall, Mrs. Wilbur Knowles, Mrs. A. H. Richter, Mrs. Ida Crain, Mrs. L. J. Whaling and Mrs. George Higfield.

PUPILS CAN ADJUST TO RAPID CHANGES IN WINTER WEATHER

To the Editor:

We wonder what kind of person gets upset when the sun is out and the temperature is close because of severe weather. We suspect these are oldtimers who walked everywhere, no matter the weather. In those days, there weren't the same life-threatening traffic hazards as today.

Modern city life, spread out as it is, depends on the automobile or school bus. In snow and ice, roads become a menace. It isn't simply a matter of being lost to school or work, but a matter of life and death. Remember, too, that many teachers live in the city and must face icy highways.

Those of my children who walk to school come home weeping in pain during the winter weather even though they were dressed to the teeth. I buy them the warmest clothing available. The winter clothing they wear here is quite different from what they wear in the Midwest. Such heavy clothing would be impractical and uncomfortable in our weather.

Having lived in the North, we know that one becomes acclimated to snow. But in the Midwest we are thrust from mild temperatures into freezing cold. The body cannot adjust this quickly.

School authorities should consider the source of complaints that the children are being cold. The same oldtimers who walked everywhere in the past are now in the street and snow probably couldn't and doesn't budge onto the front porch in weather like this. The children's blood in this climate is just as thin, I suspect.

Seven cents per copy. By mail to Granite City Rural Bureau, \$3.50 per year (first and second years, \$7.00 per year; third and fourth years, \$5.00 per year; fifth, sixth and seventh years, \$3.50 per year; six months subscription, one-half annual rate. Service—\$3.00 per year, \$1.50 for one month—anywhere in the world.

City Services, Drainage Needed in North Granite

Granite City officials are right in offering municipal services to North Granite residents through annexation. Surrounded by the city, the area is a part of the city and the city should take care of it; we can think of no more compelling reason for it to become a full partner.

Basic city services currently must be denied, and they cannot be fully made up by the township. The tax rise would be very slight. Potential savings in drainage costs add to the bargain available to North Granite property owners.

State Commission Was Too Soft On Licensees In Liquor Revocation Cases

Judging by repeated reversals of local cases by the Illinois Liquor Commission, Gov. Kerner and Madison have strong basis for their contention that the commission majority leaned too far backward in its efforts to be fair to licensees.

The most recent example was a county revocation based on evidence of vice activity. A state decision setting aside the local action subsequently was reversed by Circuit Judge Clark on the grounds, it ignored the evidence.

As the governor noted in removing the commission chairman, the group has failed to act when adequate grounds existed for halting the operation of taverns. Among such evidence was possession of federal gambling stamps, which is sufficient for automatic revocation.

Outstanding Service By Advisor Stuart To Local DeMolay Chapter

Granite City DeMolay advisor for nearly 30 years, James Stuart is deserving of the latest honor accorded him, selection as 1961 "advisor of the year in Southern Illinois."

Stuart's contributions of time and energy and inspiration to the youth of Granite City as an advisor to the hundreds of Quad-City youths. His leadership record ranks as outstanding in Masonic annals and is a rare example of lifelong selfless service. It is fitting that he be named in the first group receiving the new award.

Granite City Press-Record State Supt. Wilkins Announces Candidacy

George T. Wilkins, former Madison superintendent and Madison County superintendent of schools, is announcing he will seek re-election on the Democratic ticket to the post of state superintendent of public instruction.

Elected to his present post in 1958, the former Madison and Granite City resident said he welcomes judgment on his record which shows a record of improvements throughout his department. In citing some of his accomplishments, he said, "Educational leadership was established as the primary function of the office in the past. The office was primarily a regulatory agency."

State school aid has been increased \$75 in the past year. The last general assembly appropriated \$460 million for the public schools.

"The office of the superintendent of public instruction also has produced a new accounting manual for all local school districts," he said. He added, "A comprehensive new system of field audits of all types of school claims has introduced efficiency without which it could have cost the state of Illinois millions of dollars."

Wilkins concluded, "We are striving for the very best educational system in the nation, and we can fail in some things but, if we fail in education, we have failed in everything. On this performance in office, and in accordance with this philosophy of education, I confidently seek re-election."

Wilkins has been in the state of Illinois for 16 years. He has been in the state of Illinois for 16 years. He has been in the state of Illinois for 16 years.

Granite City Could Become The Lone Holdout On Fluoridation

An added reason for adoption of fluoridation in Granite City is afforded by the proposed establishment of a separate water district in Belleville, Swansea and St. Louis. With the Belleville and Swansea in the present water system, Granite City would be the only city which has not authorized fluoridation.

It will be recalled that local voters last year overwhelmingly approved fluoridation of their water supply to save 60 percent of the cost. Council members, who had indicated they would abide by the people's decision, reversed themselves and, by a narrow margin, blocked the authorization.

We do not know whether the Belleville area will proceed with its plans to set up a water district, but we do know that the vast majority of communities served by the East St. Louis and Interlaken Water Co. want fluoridation. Since Granite City also desires this safe, sure method of reducing dental decay — endorsed and urged by 100 percent of recognized local, state and national health authorities — further delay here is pointless.

Amber Turn Lights Adopted, Other Auto Lighting Changes Under Study

With attachments for seat belts already scheduled to be built into new cars, it has been announced that amber front turn signals will be adopted, beginning with 1963 models. The new lights result from 25 years of joint safety research and development by the auto and lamp industries, plus an intensive study of high-visibility signal systems in 1958.

Amber turn lights are expected to provide greater contrast with headlights and will be more readily seen against glaring reflections. Their installation has been made possible by law amendments passed by the 25 states which had restricted use of amber lights.

Other lighting safety proposals are more complex and still are receiving day and night visibility tests. A major project is dual-intensity for headlights, beginning with 1963 models. The new lights result from 25 years of joint safety research and development by the auto and lamp industries, plus an intensive study of high-visibility signal systems in 1958.

Your Governor Reports

by OTTO KERNER

Awarding of contracts this month for the construction of the Mental Retarded Institute at Centralia marked a milestone in Illinois' revitalized program for care and treatment of the mentally ill.

When completed, this new facility will be one of the finest mental health centers in the nation.

It is made possible, as are those to be constructed at six other cities in the state, by the people of Illinois, who approved the \$150 million bond issue at the election in November 1961.

A hospital for the mentally retarded also will be constructed at Harrisburg, with the costs to be paid out of the Mental Health Fund.

6-4 Age Group

The Institute will be used for treatment of both in- and out-patients, and is designed specifically to accommodate patients from 6 to 21.

The institution and its many innovations will be prototype for other facilities in the state. The Illinois Department of Mental Health is responding to the ability to changing conditions.

It is planned specifically to meet the demands of a positive program of treatment, not a stereotyped one that has outlived its usefulness.

Contracts awarded recently will be the administration and diagnostic in- and out-patient building, 115-type ward buildings, a community center, the dietary center, laundry, mechanical shops and building and the power plant building.

Future Expansion

The over-all plan permits future expansion of three additional 115-type ward buildings.

The administration and diagnostic center building will face the entrance to the 120-acre plot, with the ward buildings located in a fan-type arrangement to the side and rear. All units will have ramps for the convenience of wheelchair and stretcher patients.

The functional design of the treatment center permits use of the same diagnostic and laboratory equipment for both in- and out-patients. It is arranged to afford the utmost convenience to the out-patients, with ample parking facilities near the entrance.

Construction work on this new facility will get underway in the next two months, and the project is scheduled for completion within two years.

As this institution represents a new concept in custodial and treatment of the mentally ill, the initial steps in Illinois' development of a humane program for our mentally ill. I will report on its most interesting aspects next week.

Right to Redeem

In order to protect the borrower from hardship in case of temporary financial setbacks, Illinois law provides that if a mortgage is foreclosed and the sale held by order of court, the mortgagee (the borrower) may redeem the property at any time within one year.

In order to redeem, he must pay the person who purchased the property at the foreclosure sale the amount paid at the sale plus 6 percent interest.

There are various types of mortgages in use in Illinois today.

For example, the seller of a house and lot, or farm, may not insist that the buyer pay the mortgage in full at once, but may accept a down payment, convey title to the buyer and immediately take back a mortgage on the premises. Lawyers call this a "purchase money mortgage."

Other Purposes of Mortgages

Mortgages are often used for purposes other than purchase of real estate. For example, many business and farm enterprises receive their initial capital by means of a mortgage on real estate owned by the business.

Any time security is needed for a loan, this device of securing the loan is available.

It is possible to have mortgages on the same property. For example, a mortgage on a house with its mortgage with the County Recorder as soon as it is executed, and the lender has a valid claim to the property, and all others who subsequently acquire an interest in the property, take subject to it.

This column is written to inform and not to advise. No person should ever apply or interpret any law without consulting his attorney. Even a slight change in the facts may result from the result under the law. The names used in this series are purely fictitious.

The Illinois State Bar Association, 424 South Second street, Springfield, Ill., has published a pamphlet entitled "Buying a Home," which will be sent free to any person who requests it.

3rd C. of C. Workshop Class Monday Morning

The third workshop in the Tri-Cities Chapter of Commerce course, "Freedom vs. Communism," will be held Monday morning at 10 a.m. in the YMCA on "Profit Motive or Master Plan" in a study comparing the economic systems of the U.S. and Russia. It was arranged for by Harold Karandeff, C. of C. good citizenship committee chairman.

The group of 21 local civic and business leaders will meet at 7:30 a.m. Monday at the YMCA with John McBride of Union Star and Refining Co. as discussion leader.

Rev. Calvin Marcum Elected Moderator

Rev. Calvin Marcum, pastor of Nankook Presbyterian Church, has been elected moderator for the Illinois Synod of the Presbyterian Church to be held in Lake Forest, Ill.

Another local pastor, Rev. David B. Maxton, of the First Presbyterian Church, will serve as a delegate to the Synod. They were named Tuesday.

5% Cut In Paper Supply Costs For School District

A 5.7% reduction from expenditures of a year ago for duplicating paper was reported Tuesday night as the Granite City school board purchased duplicating paper for the coming year.

A low bid of \$4501 from Atwood Paper Co. was accepted on 4000 reams of 8 1/2 x 11-inch spirit duplicating paper, 450 reams of 8 1/2 x 13 spirit duplicating paper, 1650 reams of 8 1/2 x 11 mimeograph No. 16 paper, 200 reams of 8 1/2 x 14 mimeograph No. 16, 400 reams of 8 1/2 x 11 mimeograph No. 20 and 300 reams of 8 1/2 x 11 mimeograph No. 24 paper. Ten other bids ranged from \$4684 to \$5350.

Supt. Harold M. Kaiser and Administrative Assistant Victor G. Anderson cited two probable reasons for the 5.7% saving—off-season purchasing, and availability to all vendors of previous years' bid tabulations. Efforts are being made to buy each category of school supplies during the season when prices normally are lowest.

"Samples from all vendors were tested. While quality of some samples submitted is slightly superior to others than the low quotation," Anderson said, "Purchase was made from this same vendor in 1961, and quality of materials was entirely satisfactory."

Sports Equipment

The board also considered spring athletic equipment and supply bids Tuesday night, and made purchases totaling \$3059.1729 from Graham's Book Store, \$476 from Marlin Sales Co., \$341 from Markwort Sporting Goods and \$405 from Economy Sporting Goods.

The \$3059 figure compares with \$3115 spent for spring sports in 1961. The current list includes equipment for a new track and field athletic program at Central Junior high school.

Selections were based on low bids meeting specifications, except on baseball bats; seven and a half dozen bats were ordered from Markwort at \$240 instead of Economy at \$238.50. Markwort was chosen because selection of individual bats will be permitted.

It was decided to order eight dozen baseballs from the bidder's supplies of "seconds," plus 12 dozen regulation baseballs and two dozen practice rubber baseballs. The "seconds" \$9 a dozen cheaper than those used for regular games, are adequate for many phases of the athletic program, it was explained.

Refrigerator Purchase

A 12-cu-ft replacement refrigerator for Coolidge Junior high school was ordered from Fridgidaire Sales Corp. at \$220, with delivery to be made by Friedman's of Madison. The 1962 model was described as having features superior to that of a 1961 model on which Sears, Roebuck bid \$210. Other refrigerator bids were \$247 and \$261.

Bills approved totaled \$19,392. In the educational fund, including a \$5622 transfer to the transportation fund; \$35,087 in the bond and interest fund; and \$1739 in the building fund.

The \$35,087 payment to the American National Bank and Trust Co. of Chicago consisted of \$34,885 interest on bonds and \$102 service fee.

Educational fund payments included \$1550 salary to C. B. Ripley as part of the Granite City district's share of the cost of psychologist services provided by the county school superintendent's office.

School Drop-Outs Topic Of Area PTA Tonight

Student drop-outs will be the topic as the Granite City Area PTA Council meets this evening at 7:30 at Wilson grade school, 2400 Wilson avenue, Glenview.

Mrs. Kathleen Tadietti, president, will preside.

A film will illustrate the causes and effects of high school students dropping out, and will show that most potential drop-outs can be detected while the student is still in junior high school and sometimes as early as the elementary grades.

After the film, Joseph Pukach, Madison county guidance coordinator, will discuss solutions to the problem.

The council, which meets every other month, consists of PTA presidents, unit delegates and others interested in education. Business at tonight's meeting, first of the year, will include selection of a nominating committee to propose new council board members.

Surplus Sales Office Seeks Waste Paper Bids

Sealed bids are being invited by the Defense Surplus Sales Office at the Granite City Engineering Depot on approximately 438 tons of baled waste paper at the Aeronautical Chart and Information Center, St. Louis.

The property will be available for inspection between 9 a.m. and 3 p.m., Jan. 30 to Feb. 20, excluding weekends and holidays. Bids will be opened at 10 a.m. Feb. 20.

Granite City PRESS-RECORD
Thurs., Jan. 25, 1962 Page 11

GC Oks Prevailing Pay Rates For MFT Contract Workers

Compliance with a state highway department requirement setting prevailing wages for construction workers on motor-fuel tax improvement projects was voted Monday night by Granite City council members.

Aldermen also approved, subject to state confirmation, a request for a sidewalk along the south side of Pontoon road at the eighth addition to Cloverview subdivision; referred a zoning request for a change from R-1 to R-5 residential for a tract at the southeast corner of Washburn avenue and Pontoon road and heard Mayor Davis' veto of the controversial \$500 payment to a resident awarded a damage claim by the council for sewer backup last August.

The resolution setting hourly pay scales for construction workers on motor fuel tax projects is being sent to all municipalities by the state highway department. The rates are the ones now being paid, according to local contractors doing MFT projects for the city.

Prevailing Scales

The prevailing hourly rates are: \$3.60 for laborers, \$3.37 1/2 for chauffeurs, \$4.37 1/2 for operating engineers, \$4.65 for brick masons, \$4.10 for carpenters, \$4.17 1/2 for cement finishers, \$4.25 for iron workers and \$4.38 1/2 for electricians. The set scale for city employees doing maintenance on arterial streets is \$495 a month, which is the annual salary.

State law with regard to wages of employees on public works requires that they be paid no less than the prevailing hourly rate in the locality where construction work is done.

Another resolution to be forwarded to the state highway department requests the sidewalk nearly 2000 feet in length to go along the south side of Pontoon road and in front of new homes in the eighth addition to Cloverview.

Alderman Samuel Whitmer, chairman of the Public Works committee, explained the subdivision developer made the request, but only the city can secure permission from the state for such an improvement. Whitmer said the developer will construct the sidewalk at his own expense.

Multiple Unit Zoning

The petition for a zoning change for the tract at the southeast corner of Washburn avenue and Pontoon road was submitted by Mrs. George (Gwendolyn) Stearns and Mrs. Vergie M. Spalding, who seek an R-5 multiple dwelling unit classification for the place of the present R-1 single dwelling unit designation. The tract has 400 foot frontage on Pontoon road, and it was pointed out that most of the block to the east is commercial.

Last July, announcement was made of a proposal to erect a 20-unit, two-story apartment house at the site. The request was referred to the City Planning Commission.

An objection was raised by Alderman Mrs. Gabrielle Bettine to the mayor's veto of the \$500 payment to Mrs. J. J. Harper, 3137 Ash avenue, and a damage to items in her basement during a sanitary sewer backup in the section of the Namskoki area because of breakdowns to two pumps and a flow of storm water into the sanitary lines.

Council members voted approval of the payment twice. Mrs. Bettine pointed out, adding that only 12 aldermen were present for the meeting; not the number present when the claim was approved. Absent were Aldermen Walter Norn, Charles Meyer, Earl V. Schmitt and Arthur Wierzer. However, Wierzer appeared later.

The mayor called for a vote to override his veto, but none was taken. Davis said he would call upon City Atty. William Beatty, who also was not present at the start of the session, for an opinion to determine whether the council's veto set on the veto. The mayor squeaked through the veto after the payment was made on the bill for several weeks. It was on the list at the Jan. 15 meeting, and he submitted the veto to City Clerk A. L. Stevens in the form of a letter within the five-day period.

In the letter, Davis stated he did not believe the payment "is a legal or moral obligation of the city. To pay it would lead to the financial ruin of our city."

In other action by the council Monday night was to approve a change in an ordinance giving Granite City Steel Co. authority to construct a water line from its reservoir at 21st and Monroe streets to its main plant. Instead of the line going un-der Omaha street, it is to be installed on company property.

Fire Catches Fire

Madison firemen were called to the home of William Harried, 1101 Grand avenue, at 4:20 p.m. Tuesday when the floor of the four-room frame house caught fire as frozen water pipes were being thawed. The fire was extinguished with little damage.

Herman Hoffs To Observe Golden Anniversary Sunday

Friends and relatives of Mr. and Mrs. Herman J. Hoff sr., 3906 Lanier drive, St. Louis, former residents of Granite City, will attend an open house from one to five o'clock Sunday afternoon at the parish house of Sacred Heart Catholic Church, 2600 Washington avenue, to celebrate the fiftieth wedding anniversary of the couple.

Mr. and Mrs. Hoff were married Jan. 24, 1912, in St. Henry's Church, East St. Louis, and resided here for many years. He formerly operated a shoe store at 19th street and Delmar avenue. He now is employed in a shoe store in north St. Louis.

The Hoffs have six sons, Herman J. jr., of Van Nuys, Calif.; Lawrence T., of Belleville; Victor F., of St. Louis, Edward W., and Arthur H., of this city and Carl, who resides at home, and 16 grandchildren.

Gospel Mission Circle Meets

The Women's Missionary Circle of the Gospel Mission met Monday in the home of Mrs. Alice McQuinn, chairman, 3035 Russell street.

The opening prayer was by Mrs. Kate Skinner, and devotions were read by Mrs. Christine Hildreth.

The secretary's report was given by Mrs. Bonnie Lazebny, and letters were read from missionaries in West Africa, Rev. and Mrs. David Knowlton and Rev. and Mrs. Gordon Timmon.

The speaker was Mrs. John Peters, who illustrated her talk with slides, the property of Rev. and Mrs. Leslie Austin, missionaries who have returned from Africa.

A dessert luncheon was served, and after sentence prayers the program closed with the repetition of Bible verses.

Present were Mrs. Bethel Davis, superintendent of the Mission, Mrs. Hildreth, Mrs. Virginia Womack, Mrs. Lazebny, Mrs. Alice Bates, Mrs. Skinner, Mrs. Nell Cramer, Mrs. Ann Fowler, Mrs. Gladys Fowler and Misses Regina Odum and June Fowler.

The next meeting will be Feb. 26 in the home of Mrs. Davis, 2148 State street.

Eagles Auxiliary District Meet Set

Eagles Auxiliary 1126 held a regular meeting Tuesday evening under the direction of Mrs. Junetta Blevins, president.

Plans were made for a district meeting March 11 at which the local group will be host, and Mrs. Frances Steinman was asked to serve as chairman. The Granite City Auxiliary also will participate in a "parcel post" bazaar to be given by the Bayonne, N.J. Auxiliary Feb. 7.

An invitation was received from Mrs. Margaret Mack, grand secretary, to a meeting in Matherville, Ill., March 25 when Grand President Evelyn Schrier will be guest of honor.

The semi-annual audit report was given by Mrs. Annie Bush, and a letter of thanks was read from Salvation Army Capt. Mildred Walker for help in packing Christmas baskets. The prize for the evening went to Mrs. Florida Batson. A Valentine party will be held Feb. 13.

District Youth Meetings Here

The World Fellowship Youth Meet for Christian Churches (Disciples of Christ) of the Eighth District of Illinois will be held Friday and Saturday of this week and the Christian Youth Fellowship (high school age) will meet at Central Christian Church, 2020 Johnson road.

The Chi Rho group (junior high school age) will meet at the Hillcrest Christian Church in Belleville with registration beginning at 4 p.m. Friday.

Other churches participating in the meeting will be Christian churches of Edwardsville, Belleville, Cahokia, East St. Louis and Maring.

Mrs. Joseph Whitmer, a former missionary to the Belgian Congo and to Jamaica, will be the featured speaker at the Friday evening meeting here and also will speak in Belleville Saturday.

"Whose World Tomorrow? — Latin America," the theme of the meets, will be carried out in the programs, decorations, songs, games and classes. The Coolidge junior high school Latin-American band will entertain at the Saturday meeting. As a service project in world outreach for Latin-America, each young person is to take an item for the Hospital Albert Schweitzer in Haiti.

Backs Into Auto

Gilbert H. Mixer, 46, of 1937 Grand avenue, was backing out of his driveway Tuesday at 1 p.m. when he collided with a northbound auto operated by Harry J. Walteman, 44, of Galesburg, Ill.

Welcome Wagon Club Installs Officers

Officers for 1962 were installed Tuesday evening at a banquet and candlelight ceremony of the Welcome Wagon Club taking place at Cline's restaurant.

Mrs. Letta Staydhar was installing officer and those taking office were Mrs. Erma Morrow, president; Mrs. Arlene Walker, vice-president; Mrs. Lorraine Decatur, recording secretary; and Mrs. Ellie Ethier, treasurer.

Gifts were presented to Mrs. Sylvia Byrle, outgoing president, and to Mrs. Joan Wischnick, past Welcome Wagon hostess. Mrs. Charles Vargo served as chairman of the entertainment committee for the event and a number of prizes were awarded.

Fifteen were present, including three guests.

Dow Diamonds To Nominate

A nominating committee to select new officers was named last night at a meeting of the Dow Diamonds. Serving will be Mrs. Norah Halvachs, chairman, Mrs. Donna Sturdivant, Mrs. Pat Kallips and Miss Eve Loman. Their report will be submitted for an election in February.

Last night's meeting was held at Cline's restaurant, preceded by dinner. Miss Carol Ehler, president, was in charge. Plans were made for contributions to St. Elizabeth Hospital and to Hoyleton Children's Home, and arrangements were discussed for the next alumnae meeting to be held in March. Mrs. Rainie Rodgers, chairman of the charity report, reviewed work done during the past year and motion pictures were shown by Mrs. Sue Samsarian.

Club Observes Member's Birthday

Mrs. John Fleming, 2612 Michigan avenue, entertained her pinocchio club Tuesday evening.

The group celebrated the birthday of Mrs. John Bowman and presented her with an anniversary cake decorated with lighted candles. There also were gifts from her "sunshine friend."

Awards in the games went to Mrs. Bowman, Mrs. Frank Hennrich, Andrew Hagan, and Mrs. Joseph Johnson. Others present were Mesdames Hubert Joseph Parents.

The next meeting will be with Mrs. Hagan, 2530 Edwards street.

NEED GUTTER REPAIRS? CALL DOUGLAS, TR. 6-2988.

Paul Klaus' 40th Anniversary

Mr. and Mrs. Paul Klaus, 2638 East 25th street, are planning a quiet observance of their 40th wedding anniversary on Friday.

Residents of Granite City for the past 21 years, the couple was married Jan. 26, 1922, in Carlinville. They have five children, Raymond of Carlinville; Howard of Edwardsville; Mrs. Estel Wyzard of Bethalto and Mrs. Raymond Foret and Mrs. Stuart Squires of Granite City. There also are 10 grandchildren.

Mr. and Mrs. Klaus are members of St. Peter Evangelical and Reformed Church. He is employed at a local steel plant.

Mrs. Klaus is a patient at St. Elizabeth Hospital due to a recent heart attack and no celebration is planned.

RETURNING FROM SCHOOL

Miss Chris Karandjeff, daughter of Mr. and Mrs. E. A. Karandjeff, 2607 Cleveland blvd., will arrive home tomorrow from Stephens College, Columbia, Mo., accompanied by a classmate, Miss Linette Kyle of North Carolina, to spend a vacation of several days with her parents. The girls will return to school Monday.

 Apple, Apricot, Black Raspberry, Blackberry, Blueberry, Cherry, Lemon, Mince, Peach, Pineapple, Pumpkin, Raisin.

THANK YOU BRAND KITCHENS ARE LOCATED IN THE HEART OF MICHIGAN'S FAMED FRUIT COUNTRY.

GOLDEN WEDDING. Mr. and Mrs. Herbert W. Horton, who will observe their 50th wedding anniversary at a reception Feb. 4. They are shown on the left at the time of their marriage and on the right in a recent photo.

Newlyweds Are Visiting Here

Mr. and Mrs. Ralph Fry of Inglewood, Calif., who were married Saturday at the Chrenshaw Christian Church in Los Angeles, are honeymooning here with his mother, Mrs. Ethel Fry and brother, Richard, of 2905 Fortune drive.

In honor of the visitors, a family reunion and dinner was given at the Fry home this week with the following present: Mr. and Mrs. Arthur Cates of Belleville, Paul Fry of Jacksonville, Ill., Mrs. Gladys Atchison, the guests of honor and Richard Fry. Before her marriage, the bride was Miss Marilyn Rhodes of Los Angeles.

Sargent-Robertson Nuptials

Mr. and Mrs. Melvin Robertson, 2348 Miracle avenue, are announcing the recent marriage of their daughter, Miss Patricia Robertson, to Ronald Sargent of Cleveland, O., formerly of this city.

The ceremony took place Jan. 13 in Cleveland where the newlyweds will reside while the bridegroom is attending high school. The bride graduated from the Granite City high school in 1961.

50th Anniversary Fete Set For Herbert W. Hortons

Mr. and Mrs. Herbert W. Horton, 2927 Madison avenue, are planning a reception to be held Feb. 4 from two to four o'clock at Calvary Baptist Church, 3000 Washington avenue, to celebrate their golden wedding anniversary.

Mr. Horton is 74 and his wife is 71. The couple was married Feb. 4, 1912, in Vandalia, Ill. They have three daughters, Mrs. Harry (Verna) Morris,

Mrs. Amos (Viola) Sexton, and Miss Valeria Horton, who resides at home, and two sons, Velmar Horton of Granite City, and Virgil Horton of Atlanta, Ga.

Another son, Verlon, was killed in service during world war two. They also have eight grandchildren and one great-grandchild.

Before retiring several years ago, Mr. Horton was employed in East St. Louis.

Plans are being made by the Tri-City Chapter of the National Secretaries Association for a second annual "Boss Night" to be held during National Secretaries Week.

Arrangements were discussed at a local board of directors meeting Tuesday evening, and Charlie Vunovic was appointed general chairman.

Present at the meeting held at the A. O. Smith Corp. were Ellen Davison, Betty May, Johanna Brzostowski, Charlie Vunovic, Dorothy Lawrence, Mary Sedekum and Esther Rensing.

Forthcoming workshops were announced by the president, Ellen Davison, to be held in Chicago on Feb. 24, at Washington University on Feb. 17, and in Springfield on March 17. Local members are planning to attend the St. Louis meeting.

An initiation ceremony will be held at the next regular meeting Thursday, Feb. 1, at which time Phyllis Kent and Jean Hileman will become members.

Hostesses at the February meeting, Dorothy Lawrence and Johanna Brzostowski, announced the theme follows a suggestion by the national headquarters, "Secretaries on the Spot," with solutions to be given to secretarial problems occurring throughout a working day. The best solution is to be submitted for national competition.

The spring hat sale has been set for Saturday, March 10, in the lobby of the Washington Theatre, according to an announcement by Esther Rensing. Proceeds will be used to help defray expenses of the "Boss Night" party.

It was stressed that girls who wish to attend the regular monthly meetings may make reservations with the hostesses.

Mrs. Miller Is Hostess For Club
Mrs. Bernard Miller entertaining the Lesche Literary Club at a meeting at the Rose Bowl Tuesday.

After the dessert course served to 17 members and an honorary member, Mrs. W. F. Coolidge, who was a guest, the meeting was called to order by Mrs. E. D. Kincaid, president, and the program consisted of a review of "Shocking Life" by Elia Schlapanelli, given by Mrs. Eugene Schimpfer, Mrs. T. W. Kelso conducted a round table discussion on the present conference being held in Uruguay.

The Feb. 13 meeting will be with Mrs. Thomas Miller at 2526 Grand avenue.

IT'S KNOW-HOW IN THE FOOD BUSINESS THAT COUNTS

for example, let's take the

EGG

A rare and delicate thing . . . fragile, perishable, odor prone, highly sensitive and can quickly deteriorate. Our eggs are rushed from the hen to you, stopping only to be candled 3 times and graded twice, always under refrigeration.

This speedy, skillful action guarantees you a fine breakfast every day. Our Jersey Farm and Hillcrest cartons are always Grade "A". We also have a grade "C" egg. All 8 labels are fully guaranteed.

Collide This Morning

Two cars collided at 8:35 a.m. today in the 2000 block of 14th street. Police said that Mike Willich, 33, of 2021 Fourteenth, was pulling out of his driveway, and a westbound car was being driven by Otis L. York, 19, of 2808 East 23rd street.

Josephine Barylske On Dean's List

Josephine E. Barylske, 3001 Pershing avenue, a senior in the Northwestern University School of Speech, has been placed on the dean's "highest distinction" list for the fall quarter, September-December 1961. She is one of 15 students on the dean's list.

Local Men Elected To Advisory Board

Rev. Calvin Marum, pastor of the Nameoki Presbyterian Church, and Milton Morris of Venice, were elected from the Quad-Cities area to the advisory board of the Illinois Children's Home and Aid Society at a meeting in Alton Monday. The society's statewide program of service to children

makes available to the children of the community many services which a local community could not support solely for its own use. The ICHA is a United Fund Agency serving Madison, Greene, Jersey and Macoupin counties. Defensive end Don Joyce of the Minnesota Vikings has been playing pro football for the past 11 seasons. A 235-pounder, he went to Tulane.

Rear-End Collision

David C. Cross, 19, of 4724 Nameoki road, was headed south on Nameoki road last night at 11:25 when he was struck from the rear near the Fehling road intersection. The other car, which slid on the ice, was driven by Gerald T. Holly, 18, of 1504 Kirkpatrick Homes, police said.

River Ice Jam Cuts Traffic Through Canal

River traffic through the Chain of Rocks canal and locks has been curtailed considerably because of a 24-mile ice jam above Cairo which started forming Jan. 12. Lockmaster Roy Elliott said tonnage through the locks to date totals 800,000, with only seven days remaining in the month which normally averages 1,100,000 to 1,200,000 tons of freight.

Rivermen are hopeful for warm weather and rain to break the jam.

Toasting sesame seeds brings out their flavor. Just spread out ¼ cup of the seeds in a pie plate and brown, stirring or shaking plate a few times, in a slow (325 degrees) oven.

Slides Into Ditch

John Phipps, 41, of 510 Main street, Venice, was uninjured last night at 8:15 when he lost control of his car on the ice at Nameoki road and Faith avenue and the car slid into the ditch. Phipps told police he had applied his brakes when a car pulled out in front of him.

Park Board Buys 252 Pool Lockers, Other Equipment

The purchase of 252 stainless steel bathhouse lockers for the Wilson Park swimming pool was approved last night by the Granite City park board. Costing \$3822, the lockers are to be delivered complete with metered locks in time for the pool's 1962 season.

The purchase was made from the American Locker Co. of Chicago, with the stipulation that the lockers be assembled in sections to fit available space in the pool bathhouses. A higher price was quoted by another supplier. The lockers will replace the clothes basket system.

Also approved for purchase were a full-size Nissan Medart Trampoline and a smaller "mini-tramp" to be placed in the park district's Lincoln Place recreation center at 822 Niedringhaus avenue for use by tumbling classes underway there.

The purchases were made from the Salsich Recreation Equipment Co. of Kirkwood, Mo., and totaled \$702. The larger trampoline will be delivered tomorrow. Recreation Director Harold Brown said.

Bills totaling \$5317 and including expenditures of \$3160 and wages of \$2157 for the period Dec. 26 to Jan. 22 were approved for payment.

The park board also heard two representatives of the Terrace Garden Club, Mrs. Shirley Glenn and Mrs. Mary Zellerman, describe plans for a club house project to purchase and plant a permanent Salvation Army "Tree of Lights" Christmas tree in Memorial Park at Niedringhaus and Madison avenues. Exact location, height and type of tree are to be discussed later.

Park Film Premier Date To Be Set

The recreation committee of the Granite City park board will soon announce a date for the premier showing of the park district's comprehensive color and sound film of park activities. It was announced during the board's meeting last night.

The first showing of the film, over a year in preparation, will be by invitation only and probably will be scheduled before March 17. After that date the film will be available to PTAs, civic organizations and clubs by making application with Board Secretary Frank Roa at 1314 Niedringhaus avenue beginning Monday.

Fish 'Kill' Report Is Referred To Attorney General

The Illinois Sanitary Water Board has referred a Horseshoe Lake fish "kill" report, in which the state of Illinois seeks \$1354 damages from Granite City Steel Co., to the Illinois attorney general's office for action.

R. S. Nolle of the sanitary water division told the Press-Record this morning from Springfield that the "kill" occurred at the lake approximately last Nov. 6.

"The action is in line with that taken previously when the board felt that municipalities or corporations were not coming up to satisfactory pollution abatement standards," Nolle said. A spokesman for the company had no comment when contacted late this morning.

Amounts sought are determined by estimating the number, species and size of water life killed by pollution, through surveys made by the state Department of Conservation.

Intruders Eat Cake, Drink Milk At Stallings School

Intruders at Stallings grade school last night helped themselves to a leftover piece of cake and 10 half-pints of milk after smashing a door glass to gain entrance.

School authorities reported to the sheriff's office this morning that two bottles of milk were poured on the floor and a secretary's desk was ransacked. Nothing was taken from the desk.

American Steel Credit Union Elects Officers

Officers of the American Steel Foundries Employees Federal Credit Union were elected last night at a meeting in the Labor Temple...

The list includes Lloyd McClelland, president; Matthew Pappas, first vice-president; George Elliott, second vice-president; Moses Austin, treasurer...

William Seidler and Roy Lynn were appointed on the supervisory committee.

Hit-Run Accident An unidentified car struck a parked auto in the 2100 block of Iowa street yesterday at 8 p.m. and sped away. The parked vehicle belonged to Clarence Nagel, 2020 Highway 67A.

All human power is a component of time and patience.

—Honore de Balzac

BRIDAL SHOWER HONORS

MISS MAUREN BEVILL

Miss Maureen Bevill was com-

plimented with a bridal shower

given in her honor Sunday after-

noon at the First Methodist

Church by Mrs. Wesley Clements

and Mrs. Louis Crenshaw. The

basement of the church was

decorated appropriately with

streamers, bells and an assort-

ment of flowers.

The center table was centered

with a bride doll which played

"Here Comes the Bride." The

gift table was decorated in the

same color scheme, with an um-

brilla suspended above the table.

The honored guest opened the

many packages with the assist-

ance of Miss Susan Bevill, who

will serve as the maid of honor

for her sister, and Miss Kari-

anne and Miss Barbara Van

Drenee, bridesmaids. The guests

viewed the gifts.

Games were played, with

prizes being awarded to Mrs.

Betty Ballentine, Mrs. Morine

James, Mrs. Virginia Van

dermark, Mrs. Paulette Feder-

chak, Mrs. Alberta Robertson,

Mrs. Barbara DuVernoy, Mrs.

Burley Bevill, Mrs. Dovie

Graves, Mrs. Geraldine Brooks,

Mrs. Goldie Decker, Mrs. Sher-

wood Cook and Misses Sherry

Cook and Carol Durbow.

Others taking part were Mes-

sames Burley Bevill Jr., Harry

Rash, Stella Morley, Emma Rash,

Joey, Marian Thompson, Dollie

McFarland, Gladys Zentrgraf,

Anna Graves, Joan Smith, Ed-

na, Louella Bevill, Dora Rash,

Walter, Belle Clements, Louise

Eberhardt, Thelma Black, Avis

Richardson, April, Mary, El-

vera Stagner, M. C. Fields,

Jackie Fritzell, Ann Ridenour,

Theresa Fogie, Lee Gibson, Wal-

ter Bergfeld, Harry Johnson,

Estella McGee, Steve Cervin-

ski, Doris Hargrave, William

James, Geraldine Taylor, Cath-

erine Jones, Edna Austin, Ed-

itha, Edith Taylor, John, Ed-

itha, Norma Walton, Calve,

Charles Williams and Belle Wal-

ton.

Refreshments were served to

those present by the bride, Miss

Bevill is to become the

bride of Robert Graves Feb. 17.

Mrs. Julia Dant, the mother

of Den Two of St. Mary's Cub

Pack 47, held a meeting in her

home Tuesday afternoon. Ray-

mond Miller is to be a member

of the troop and will be in the

of the Dant home, 1605 Fourth

street, each week with Richard

Kierd, Raymond and Nancy San-

ders led prayer. Mr. and Mrs.

Edward Bond, Kevin McIlroy,

Kevin McIlroy and Jimmy Dant.

The meeting was opened with

the pledge of allegiance to the

flag and prayer, as well as the

sword symbol was by the boys.

Games were played and re-

freshments were served.

STUDY OF CHINESE

Dr. Kathleen Jones Primary

Sunbeams met Tuesday after-

noon at Second Baptist Church

for a study of Chinese people in

the United States. Pictures were

drawn of DeSoto, the explorer,

and of ancient ships. Singing

was held, and Mrs. Betty Lewis

led prayer and told a story of

the Chinese family. She discussed

a study book, "A Kite for Billy

Ching," which will be started

next Tuesday.

A mission offering also was

discussed, and a visitor, Nancy

Wigger, closed the meeting with

prayer. Others present were

Glenda Wells, Beverly Bellman,

Frances Welch, Patti Franklin,

Gary Lewis, Larry Anderson,

Danny Bug, Michael Reynolds,

William Anderson, Edna Mc-

Cord, Linda Barrett, Corky Bur-

nett, Allen Newberry and Vis-

itor, Mrs. Betty Lewis.

BIRTHDAY DINNER

The Birthday club met Mon-

day evening for home in Mrs.

Mabel Mercer, 2108 Missouri avenue,

to celebrate her birthday with a

dinner. Games were played and

prizes were awarded.

The present were Mesdames Dor-

othy Partney, Dolly Roth, Laura

Lambeth, May Ebling, Lona

Mercer, Nancy Mercer and Mrs.

Tracy, Jo Ann and David, Ken

Grover, Phana Donohue, Betty

Gray, Mary, Catherine, Lindne

Clara, Clara, Nelda Williams,

and Frances Bell. The boys also

received cards with each gift.

GAS HEAT HEADQUARTERS

WILLIAM HEATING, GL.

2-2110.

RETURNS HOME

Mrs. Vera Cantley left for her

Sunday evening for home in

Ubu, Mo., after having been

called here due to the illness of

her father, Herman Gattling. He

has been hospitalized and un-

derwent surgery.

The Mount Zion General Bap-

tist Church Youth Fellowship

met Sunday evening with Mrs.

Virginia Collins leading a pro-

gram entitled "A New Life."

Present were Bruce Martin,

participated in Bible reading

and a discussion period. The

leader summarized the program.

Plans were made for "Youth

Week" Jan. 28-Feb. 4 and a

progressive dinner Feb. 17.

Present were Bruce Martin,

Larry Goodall, Willene Jackson,

Karl Levart, Diana Hahn, Pat

ricia, Willene Jackson and Floyd

Williams.

INTERMEDIATES MEET

The Betty Lewis Intermediate

Girls Auxiliary of Second Bap-

tist Church met Tuesday eve-

ning at the church for a study

of the "Forward Steps." Opening

prayer was given by Patricia

Ignatz.

Bonnie Finnell was in charge

of the program, which consisted

of games about the forward

steps. Closing prayer was by the

director, Mrs. Barnes. Others

present were Mrs. Ethel Cox,

Margaret Lizar, Jean Anderson,

Suzanne Wigger, Judy Adams,

Karen Thomas and Evelyn

Barnes.

PLAN AUTO SHOW ENTRY

James Riskovsky, president of

the Screaming Eagles Safety

Automobile Association, presen-

ted over a weekly meeting Tues-

day evening. Ten members were

present, with a new member,

Jerry Voyer, taken into the

association.

A safety film is to be shown

at the meeting next Tuesday

evening. A Henry-Cub car is

being cleaned in preparation for

entering it into the show.

POSTPONE INSTALLATION

Installation for the new Re-

bekah Lodge 786 members has

been postponed again, and is to

be held Feb. 13.

Mrs. Vera Williams, noble

grand, presided over the meet-

ing Tuesday evening. Twenty-

six members responded to roll

call.

PHOTO COMPLETE WEDDING

CALL LAZENBY, TR. 6-2978.

MORE ABOUT

Aptitude

Tests

(Continued from Page 1)

Spangler said clarification will

be brought on the subject of

alterations, and Dr. Kaiser ad-

ded that the Chicago business will

have a conference with Hous-

ing and Home Finance Agency

officials on the vocational shop

addition at Granite City high

school.

No discussion was held on the

present main Granite City

post office for an office-storage

classroom center. Application

has been submitted to federal

authorities in Chicago, and no

reply has been received.

The notice for the building is to

be withdrawn after Jan. 31.

Dr. Kaiser told the board he

was not sure if the building is to

be completed completely

due to the weather. The

next meeting will be Feb. 5 at

7:30 p.m. at the church.

The evening's program on "No

Easy Answers" dealt with the

alcohol problem. A playlet was

presented by Mrs. Ruth Har-

vey, Mrs. Bess Causey, Miss

Elkins and Miss Moore. Gro-

honing, and a lengthy discus-

sion was held afterwards.

The closing prayer was given

by Mrs. Vera Pittman, the pas-

tor's wife, and a late dessert

course was served by the

hostess to Mrs. Luan Briner, Miss

State street, to Gunter, Mrs. Betty

Weston, Mrs. Lexi Vick and Mrs.

Vivian Guika.

Miss Greshing will be hostess

at the next meeting of the circle

in her home, 2340 Waterman

avenue, Feb. 26.

A pinewood derby was held

after the meeting. The club

has assembled miniature car-

kits, which they raced. First

prize was won by the Walter Great-

house, second David Evans, third

George North and fourth, Mi-

chael Barry.

The closing ceremony was

given by Mrs. Sharon Loftus

den Seven, and refreshments

were served afterwards.

BIRTHDAYS OBSERVED

BY FRANKS FAMILY

The Horace Franks family,

120 Briarcliff, celebrates Jan. 23

in a big way, and for three im-

portant reasons.

It is the birthday of Mrs.

Franks, the birthday of their

only child, Wilma, and the an-

niversary of the day that Franks

the boys discussed a trip to

their campsite Saturday from

10 a.m. to 2 p.m. and a swim at

the YMCA Friday from 9 p.m.

to 11 p.m. A fish fry to be held

Feb. 9 was discussed.

Present were Mike Abernathy,

Blankenship President Of Safety Council

Cliff Blankenship, safety director for the A. O. Smith Corp. plant in Granite City, was elected president of the Madison County Safety Council during an annual meeting Tuesday night at the Knights of Columbus hall in Wood River. Blankenship was inducted by the retiring president, Robert B. Maynard of American Oil Co.

During the meeting a program of practical education in safe work practices recommended by the metals division of the National Safety Council was submitted for consideration by L. C. Parker of Granite City Steel Co., who is chairman of the metals division.

Norman L. Robey, manager of the Wood River plant of American Oil Co., hosts for the meeting, commented on severe weather conditions and how they increase the hazards of injury in industrial work.

5th Annual Meeting Of Paddlers Club Tonight

The fifth annual meeting of Paddlers, Inc., private swimming club on Johnson road, will be held this evening at 7:30 at the Elks club. Purpose of the meeting is the election of eight directors to serve for two years.

Paul Morris, current president of the board of directors, will conduct the meeting. All members attending will receive a financial report of the past year's operations, and Morris will give a resume of accomplishments of the group in 1961.

George R. Means, 66, Dies While On Visit

George R. Means, 66, of 1729 Moro avenue, died Tuesday at the Providence Hospital in Mobile, Ala., where he was visiting a daughter, Mrs. Daniel (Margaret) Thomas.

Mr. Means was retired two years ago after working 36 years for the C&E railroad as a switchman. He was born in Poplar Bluff, Mo., and had been a Quad-Cities resident 40 years.

He was a member of the Nameoki Presbyterian Church, and belonged to the Forty et

Eight, the Last Man's Club, American Legion Post 307, the Elks Lodge and the Brotherhood of Railroad Trainmen.

His wife, Hilda, preceded him in death last Nov. 11.

Surviving is a son, Robert, Edwardsville; the daughter, Mrs. Thomas; three brothers, Fred and Arthur of Venice and Herbert of Madison; and four grandchildren.

Funeral services will be conducted locally. Arrangements are given in the obituary column.

Chas. Wade Re-elected To State Office

Charles Wade of this city has been elected for the third term as a state director of the Illinois Plumbing Contractors.

He was elected at the 69th session of the Association held in Springfield this week. He was accompanied to the meeting by Mrs. Wade. Also in attendance was a former Granite Cityan, William Bergner, of St. Louis, who was proprietor of the Bergner Plumbing and Heating Co. here. He is the oldest living past president of the organization.

Bank Employees Reject Office Workers Union

Employees of the First Granite City National Bank voted 34-to-20 to reject representation by Office Workers Employees Union Local 13 in a National Labor Relations Board election conducted yesterday afternoon at the bank. There were 53 employees eligible to vote and there were no valid or challenged ballots, the St. Louis NLRB office reported.

An NLRB official said it would be a year before another election could be sought by the union, upon presentation of peti-

The important point to remember, when you are preparing Hollandaise Sauce, is to use slow heat. If the heat is gentle, the sauce may be cooked over direct heat (in a heavy pan) instead of over hot water.

Showing 30% of the prospective members in favor of a vote.

100th GCHS Graduating Class Follows Historic Period of Progress Since 1902

In 1902, the first class—composed of two students—completed the three-year program then required for graduation from Granite City High school. Next Monday, Jan. 29, 83 students in the 100th class are scheduled to receive diplomas.

Between these two classes lies a history of growth and change which has been characteristic not only of the high school, but of the entire Granite City school system.

In 1880, the Granite City area was home to only a few farm families. The residents attended a church called Kinderhook, and the church also became their school. Thirty-two pupils attended, and a single teacher, L. P. Frohardt, was their educator.

Growth marked the school from the beginning, and in five years the number of students had grown to 66. A second teacher was added, then a third. Enrollment grew to 97 students. Another room was added to the school.

In 1886, Granite City was incorporated with a population of 922. James G. McRoberts was mayor. Three years later the Emerson school was constructed, to be occupied on the first Monday in January 1897. Cost of that structure was \$15,000.

Separate High School
When the high school was organized as a separate institution in 1890, the Emerson school became inadequate to house all the students. Once again the old Kinderhook church became the classroom, Granite City high school's first home.

The 1900 census listed a population of 3122 for Granite City. That year there were 24 pupils in the high school, two of them to be graduated two years later. Mr. Frohardt was now principal at the high school, and the only teacher.

The first graduating class contained not one Granite Cityan. Its members were Misses Jennie Wilcox and Lillie Niemann, both of Venice. They had started high school in September 1889, and in May 1902, they graduated, their course of study listed as "three years general."

Course of study for the classmann and Miss Wilcox were vastly different from those offered in present curriculum. Records indicate that Miss Niemann had four semesters of composition and rhetoric, with three of algebra, two of geometry and two of physics.

Course on Caesar
Along with courses in English literature, English and American history, geography, botany, zoology and physiology, she also studied Greek and Roman history, Latin grammar, German grammar and a course on Caesar.

Miss Wilcox's record shows a similar course of study, with the exception of German grammar. Apparently some choice of course material was offered, as she had four semesters of English literature and only two of composition and rhetoric.

Grade reports from the time are in the flowing penmanship of a past generation, written in ink by Principal Frohardt. The graduating class the following year had grown to five students: Elizabeth Veidt, now Mrs. Walter Hummert; Etta

Parr, now Mrs. A. M. Wilson; Elmer Roman, Grace Horney and Louis Buenger. Mr. Buenger is now deceased.

Courses of study for the class of 1903 was similar in content to that of the first class, and although many members of the class entered high school in September 1900, Miss Veidt's record indicates she began a year later.

In sharp contrast to the limited number of courses available to the classes of 1902 and 1903, the current curriculum of the Granite City secondary school consists of 70 courses, including such fields as languages, sciences, business education, home economics and shop training.

Classroom Shortage
No class graduated in 1904 or 1905. In 1905, the high school student enrollment had grown to 58, with three teachers. There were 823 pupils in the grade school, with 20 teachers. The shortage of classroom space was becoming an acute problem.

Construction of a 18-room building with auditorium and gymnasium, was begun the following year. It was occupied in September, 1907, as both grade and high school.

From that time on, expansion of school facilities had to come at a rapid pace to keep up with the bursting enrollment. By 1910 there were 148 high school students, 1420 in the grade school. In another five years these figures had risen to 228 and 1859.

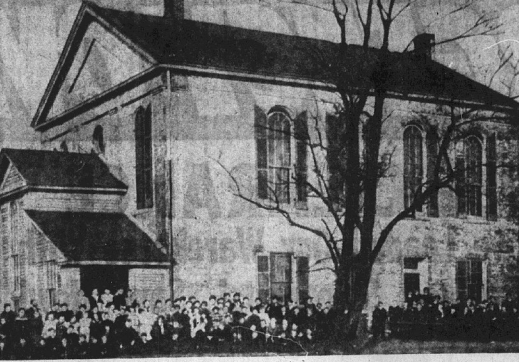

Twenty-two teachers were in the high school in 1920, when enrollment had climbed to 367 pupils. The grade schools, with 2782 students, had a total of 65 teachers. In 1923, when separate grade and high school districts had been formed, there were 530 high school and 2450 grade school students.

Space Provided
School construction during this time had gone on at an almost frantic pace as Granite Cityans tried to provide their children with necessary classroom space.

To Washington school, which was built in 1902, were added four new rooms in 1910. A year earlier, a four-room addition was constructed at Emerson. The Webster school, built in 1907 in East Granite, was acquired through annexation of that district and was enlarged to four rooms in 1913.

That same year, a new high school and the four-room Logan school were built. Then, the impact of war struck the community, and erection of classroom buildings came to a halt. War production brought renewed life to Granite City industry, however, and as workmen continued to pour into the area the student population kept on climbing.

Community High Built
In 1920, five important building projects were launched in Granite City school system. Additions were begun at the high school which then became Central high school, and construction of Community high school and the temporary structure for Liberty school got underway. A six-room addition at Washington school and a four-room addition

KINDERHOOK, the old Methodist church building which was home of the first Granite City high school. It was this venerable structure, which is located southwest of the present Emerson school site, in which the first Granite City high school graduating class—the class of 1902—studied under a single instructor, Principal L. P. Frohardt. An institution was here born.

Granite City PRESS-RECORD Page 26 Thurs., Jan. 25, 1962

Pastors Invited To Counseling Conference

Clergymen of the southern Illinois area have been notified of an invitation to a conference on the subject of pastoral counseling, to be held Jan. 25-26 on the campus of Southern Illinois University.

Attending the meeting will be members of university faculties, seminar faculties, practicing ministers and professionals in institutional work.

Rev. Wayne Oakes, professor at Southern Baptist Seminary in Louisville, Ky., and an author and authority in the field of counseling, will be keynote speaker. Other speakers scheduled for the two-day meet include Dr. Julius Seeman, professor of psychology at George Peabody College, and Dr. Howard Elmo Short, editor of The Christian, national weekly publication of the Christian Churches (Disciples of Christ).

The clergymen's meeting will be in conjunction with the observance of Religion in Life Week on the SIU campus. Representing Southern on the work program will be Dr. Delyte W. Morris, president of the university, and Dr. William J. McKeefer, dean of academic affairs.

Treated At Hospital For Wrist Laceration

Lynn Rider, 22, of 3008 Dale avenue was treated at St. Elizabeth Hospital for a two-inch laceration on the left wrist sustained at 4:15 p. m. Monday at the Cardin upholstery firm, 1307 Madison avenue.

He told Madison police he had cut himself with a razor blade, but could give no explanation for the incident. Police were summoned there by Raymond Jones, 42, of 2246 State street.

Rotary Magazine Is Featured In Program

Besides the usual professions, the International Rotary Club includes holly growers and even an "alligator farmer," members of the Granite City club were told Tuesday noon in a program of the Granite City high school, featuring the organization's monthly magazine, The Rotarian.

Stressing the theme, "Read-Use-Share," a sound film pointed out that the Rotary magazine goes out into 136 countries with a total monthly circulation of 407,000. It was estimated that annual circulation, including reprints of articles in other publications, exceeds one million.

Started in 1911, The Rotarian today is a highly professional magazine, a product containing numerous thought-provoking and timely articles. Its annual budget is approximately \$1 million for both the English and Spanish editions, the latter called Revista Rotaria.

Not only do Rotarians correspond in print but they recently started an informal fellowship of ham radio operators called ROAR (Rotarians of Amateur Radio).

Rev. Alfred Bula, program chairman, reminded Rotarians that their monthly magazine is both informative and entertaining, "touching as it does nearly every country in the world in print and picture. It has sparked a number of improvements in national corners of the earth through interchange of ideas.

Six Mitchell children were guests of the club for the show-ten members attended the dinner meeting, at which vice-president Roy Green presided. Next week's meeting is scheduled as an inter-club affair, with the joining organization yet to be named.

Stationed In Missouri

Stationed at Ft. Leonard Wood, Mo., for recruit training is James Leonard Jones, 22, son of Mr. Oscar R. Jones and grandson of Mrs. Anna Jones, both of 2441 Denney avenue. A graduate of Granite City high school, Jones enlisted in the Army recently. Prior to enlistment, he was employed at Krentler Brothers in St. Louis.

Armed Forces Group Visits GC Steel Plant

Sixteen members of the Industrial College of the Armed Forces, Washington, D. C., are in Granite City today for a tour of the Granite City Steel Co. plant. This is the ninth consecutive year for such a visit.

Included in the group are four Army colonels, four Air Force colonels, two Navy captains and a lieutenant commander, two Department of the Army representatives, a Marine Corps colonel, a Treasury Department representative, and a member of the school's faculty.

The mission of the Industrial College is to provide advanced education for senior officers of all military services, as well as key executives of the civil government. Stress is placed on the economic and industrial aspects of national security.

Field trips to industrial plants such as Granite City Steel to give the students a first-hand view of the interrelated military and production problems are a part of the program.

The group was welcomed on their arrival by James L. Hamilton, executive vice-president and general manager of sales of the steel company. They visited the furnace department, coke ovens, open hearth and blooming mill operations this morning, and are to tour the hot and cold rolling, finishing, tin plating and galvanizing operations this afternoon.

Hit-Run Accident

A hit-and-run car damaged the left rear fender of the parked auto of Gilbert Sittman, 521 Fourth street, Venice, on Kerr street west of Fourth street Monday, police were notified.

William Johnson Files For State Treasurer

Alton insurance broker William D. Johnson will seek the Democratic nomination for state representative from Madison county (33rd district). Johnson filed petitions with the secretary of state in Springfield on Monday.

Married and the father of a three-year-old daughter, Johnson resides in East Alton. In 1958, he ran second in a three-man contest for the Democratic nomination for Madison county treasurer in his first attempt to win public office.

He was defeated by Dan McGee, current treasurer, but ran ahead of Kenneth Ogles.

Miss Lana Winters Is Honored At Shower Monday

Mrs. Walter Winters and Mrs. Al Dore entertained guests at a miscellaneous shower Monday evening at the Rose Bowl in honor of their niece, Miss Lana Winters, daughter of Mr. and Mrs. Rollo Winters, 2524 Adams street, who will be a February bride.

Present at the shower, one of the most attractively appointed among several given for the bride-to-be, were the bridesmaids Frank Orris Jr., Joe Plantz, A. E. Odell, C. E. Townsend, George Jackovich, Aubrey Rohlfing, Nick Jackovich, Pete Plantz, Theresa Ortolano, Ray Baldwin, Florence Gary, Judy Halbert, Ray Huff of Edwardsville, Louis Bicanie sr., Rollo Winters, Neil Winters, LeRoy Lanahan, Jerome Plantz sr., the bride-to-be and Miss Antoinette Plantz, Janet Steinhilber and Judy Cook.

A large pink umbrella decorated the gift table and smaller umbrellas in the same color centered the remaining tables.

Miss Winters will be married Feb. 3 to Barry Maycock of St. Louis.

Niedringhaus PTA 'Kids' Show Friday

The January meeting of the Niedringhaus school PTA took place Tuesday evening in the school gym.

Capt. Mildred Walker of the Salvation Army gave the invocation and the colors were posted by Girl Scout Troop 350 under the direction of their leaders, Mrs. Kay Finkle and Mrs. Norma Milare.

The group sang "America" and Ted Todoroff presented a program which included slides and an explanation of the purpose and needs of a fallout shelter.

Mrs. Della Schold called attention to the "kids' talent show" to be held Friday at 7 p.m. in the school gym and a chili supper was planned for Feb. 7.

Miss Judy Brown, a student at Southern Illinois University who has been doing practice teaching under the direction of Miss Louise Deschamps, was introduced by Gerald Bushne, school principal; and after the attendance count the bazaar went to Mrs. Elizabeth Edwards second grade room. Miss Deschamps' third grade room was runner-up.

Refreshments were served by the mothers of the third grade room.

Barbara Louis, librarian, entertained the group with a reading entitled "January," and six members having birthdays during the month were recognized.

Refreshments were served by the Mothers Club to the Daughters and a guest, Dr. Aron Rode, a past master of Masonic Lodge 877.

REMEMBER YOUR WEDDING AS IT HAPPENED. CALL LAZENBY, TR. 6-2978

First Baptist Jr. GA Meeting

The Junior Girls' Auxiliary of First Baptist Church met Monday evening in the home of Mrs. Hugh Foster, 2660 East 24th street.

Devotions were given by Mrs. Vivian Mitchell on the theme "Stewardship," and after the business discussion and program the girls continued the study of "forward steps."

Mrs. Foster served refreshments to Betty Ann Baker, Patsey Johnson, Patsey Stagner, Shannon and Laura Little, Barbara Mih, Coleen Affolter, Peggy Jo Carson, Dana McDuffy, and Candy Elbert.

Chicken, ham, shrimp and tomatoes plus rice may be the underpinnings for jambalaya—a fine buffet supper dish. Onion, green pepper and garlic add the seasonings.

COLD WARNING

With "cold weather" upon us, it is important to pay heed to warning sneezes and sniffles. Such signs may signal a break in resistance and, without prompt and proper attention, could develop into a heavy cold or more serious infection.

If a cold does not yield quickly to home remedies, see your doctor without delay.

22 Top Ratings In Scout First-Aid Meet

Twenty-two patrols captured "A" ratings in the 1962 Cahokia Mound Boy Scout Council first-aid meet held Jan. 20 at Coolidge Junior high school. It was announced this week following completion of judging reports. Each group of five or six scouts was rated on its analysis and performance on four first-aid problems assigned at random. Those with top ratings are the Rebel patrol of Troop 11, Rattlesnake and Eagle of Troop 12, Little Eagle of Troop 15, Panther and Nighthawk of Troop 18, Flaming Arrow of Troop 23, Eagle, Pine Tree and Beaver of Troop 26, Roaming Buffalo of Troop 29, Beaver and KUD of Troop 30, Bob White of Troop 36, Tommy Hatchet of Troop 39, Curly of Troop 41, Hawk of Troop 42, Flying Eagle and Rattlesnake of Troop 43, Flaming Arrow of Troop 46, Wolverine of Troop 95 and Comanche of Troop 99.

"B" ratings went to the Panther patrol of Troop Seven, Bear and Beaver of Troop 12, Inquisitor and Moose of Troop 15, Panther of Troop 29, Eagle of Troop 36, Blackhawk of Troop 43, Fox, Bear and Eagle of Troop 42, Flying Eagle of Troop 83, Owl and Fox of Troop 96 and Eagle, Flaming Arrow and Raven of Troop 122. "C" ratings were received by Mohawk of Troop Seven, Desert Fox of Troop 39, Bob White of Troop 41 and Flying Eagle of Troop 86.

Judges, led by Dr. Richard Walters, council health and safety chairman, included Frank Arbeiter, Donald Watson, Ed Weber, Zane Miller, Walter Hertz, Al Weider, John Goldsich, William Providence, William Bollinger, John Haug, Richard Small, Everett Turbaugh, John Hair, David Harris, Jack Evans, Robert Cortez, Pete Klobuchek, Quentin Nungesser, Ronald Loos, Al Siegrist, Joe Webb, Clifford Daughan, Mrs. Maxine Dunphy and Lewis Sabin.

Clifton Blankenship served as roving referee, and scouts acting as "doctors" were Frank Milnarec, Clarence Windsor, Donald Jolly, Gerald Walters, Lou Laster, Leonard Robbery and Floyd Pitchford. Scores were Dr. Leo Coleman, Leo Kallips, Lester Bickel and Richard Wohlschlag, assisted by Wilson PTA Post 122 Explorers Terry Kofahl, Frank Rodgers, Leo Kallips Jr. and William Smith.

55 Jury Cases On City Court Docket Here

Fifty-five cases, most of them lawsuits, are on the city court's docket for a two-week jury sitting which begins Monday. City Court Judge Fred P. Schuman will preside.

The docket is made up of 53 lawsuits, two appeals, one law and chancery and one assumption of the docket.

Monday, Jan. 29 - lawsuits: Billie Scarborough vs. Mildred Muscarella; Jack Betts vs. Clyde Spain; Georgia Berger vs. Carl Kitter; Robert Eugene Bull vs. GMKO Railroad; Joe Shemmonia vs. Feraud Bros., Inc.; Leonard Barton vs. August Feraud; Mildred Odey vs. Howard Cline; Raymond W. Steiger vs. Harold Waggoner; Opal M. Barnes vs. Joseph J. Ignatz vs. Ella Mae Whit vs. James Clinton Whit; Law and chancery: Margaret Littlejohn vs. Granite City Steel Co.

Tuesday, Jan. 30 - lawsuits: Jerald E. Kent vs. Walter Reutzel; Thomas Kirchhoff vs. J. W. Wier; Lewis Johnson vs. The Pullman Co.; James E. Johnson vs. Laverne Sims; Howard Potts vs. S. M. Wilson Co.; Charles F. Foster vs. Robert Holt; Robert L. Turner vs. Robert A. Krause; Harold Holton vs. Laverne Moss; Patricia Ann Swindle vs. Hoyt Miller; and Granite City Steel Employees Federal Credit Union vs. Mercury Mutual Insurance Co. Appeal: Gale & Co. vs. Tom Twen-

Wednesday, Jan. 31 - lawsuits: Earl McCart vs. Nick Venturino; Ronald Robert Berry vs. Elmer Fry; Harry V. Miller vs. William Krauskopf; Dewey Willard vs. James Cantillon; James Kostick vs. M. H. Wolfe & Co.; Upton Dameron vs. Washab Railroad Co.; Maullie Lincey vs. Quid-City & Modern Cab Co.; and Leona Furtak vs. Mary Doman. Appeal: Lyrna Huns vs. James Green. Assumption: George C. Crocker vs. Earl Ellis.

Monday, Feb. 5 - lawsuits: Jessie Edmondson vs. Burdell Willmaker; Louise McElligott vs. Illinois Central Railroad Co.; Guy Lehr Jr. vs. Otto Willaredt; Cherry Singler vs. Billy Leroy Chastain; J. F. Eravi vs. Washab Railroad Co.; Bouah Simeone vs. General Contracting Co.; Jesse Rhodes vs. Roby Selph; James E. Smith vs. Anthony Conill; Roy Bracomontes vs. Community Coach Co.; Elaine Lance vs. Joseph E. Wyatt; Mary H. Gonsay vs. Michael Papp; Mary H. Gonsay vs. Michael Papp (two separate cases) and Gordon W. Charlton vs. Kenneth Archer.

Tuesday, Feb. 6 - lawsuits: C. Ray Moomaw vs. GMKO Railroad; Nadine Brake vs. Arthur May; Sandy V. Pence vs. Kenneth Hartberger; Vernon O. Wynn vs. Granite City Steel Co.; Berker Iron & Metal Co. vs. Inland Steel Co.; Joseph Cobb vs. Elvin Goodman; Clara Marxus vs. Robert Butler; Francis J. Lahey vs. Austin Carter; and Ruth Johnson vs. Gerald Stagner.

The City Court Clerk Mrs. Helen Honan said Thursday and Friday, Feb. 1 and 2, will be held open for cases not reached.

Course For Volunteers Set At State Hospital

Dr. Abraham Simon, superintendent of Alton State Hospital, announced today that the next orientation course for new volunteer workers will be held on Thursday, Feb. 8, from 9 to noon and Thursday, Feb. 15, from 9 to 3 p.m. They will be held in the Nurses' Home on the hospital grounds.

The courses are designed to train volunteers for their work with mental patients. The sessions include lectures by staff doctors on subjects such as understanding the emotionally disturbed person and on the treatment programs.

Volunteers who have registered will be guests of the hospital for luncheon on Feb. 15. Prospective volunteers will be interviewed through Feb. 7. Anyone desiring more information may call the Volunteer Services Office at the hospital.

Current Labor Issues Conference Saturday

A one-day conference on "Current Issues of Importance to Labor," free to all area union members, will be held Saturday at the Labor Temple, 2014 State street. Registration will begin at 9:30 a.m.

The Tri-City Trades and Labor Council, AFL-CIO, is sponsoring the conference in cooperation with the University of Illinois. Topics covered will include labor's role in formulating legislation to taxation and revenue problems in Illinois, health care for the aged, and unions and politics.

Speakers will include Stanley Johnson, executive vice president of the state AFL-CIO, and Professors Glenn W. Fisher and Jack Mann from the university. Edwin Reiske, president of the council, has handled arrangements.

Mitchell Water District Annexation Hearing Set

With the Mitchell Public Water District operation scheduled to begin in early spring, the size of the district already is slated for expansion, with a hearing set for 10 a.m. Feb. 16 at the county court in Edwardsville for annexing the adjoining Burton's subdivision and second addition to the subdivision.

The area, which now includes about 15 homes, is on both sides of old State Route 3, about a mile north of Mitchell proper. Petitions are on file at the county clerk's office bearing the names of the required two-thirds of the property owners. Weather has halted work on the project at present, but will be resumed as soon as conditions permit. The remaining construction includes installation of mains under railroad tracks and major highways and for individual connections.

Enlists In Army

John Cell Jr., 20, son of Mr. and Mrs. John Cell, 2675 Grand avenue, has enlisted in the U.S. Army and is stationed at Ft. Leonard Wood, Mo., for recruit training. He attended Granite City high school.

J. A. WILLMAN, former Columbus, Ga., city manager, who has returned to Columbus as director of manufacturing operations for Royal Crown Cola's company-owned canning plants.

Willman, H. Glenn, president made the announcement today. One of the three plants is in Granite City. City manager of Columbus for 13 years, Willman joined Royal Crown Cola Co. in 1960 to become manager of the newly-constructed canning plant at Auburndale, Fla. In his new capacity, he will handle production of canned beverages in the company-owned plants at Columbus, Granite City and Auburndale, and supervise manufacturing operations of contract canners throughout the U. S. He will work closely with W. T. Miller, vice-president in charge of production and product development, and with J. L. Ivey, national director of can sales.

10 Local Students On SIU Dean's List

The following students are among those whose names appear on the Dean's List at Southern Illinois University: Nancy Bischoff, 1605 Amos avenue; Donald Burnett, 2243 Lee avenue; Gerald Hall, 4202 Kirkpatrick Homes; William Holton, 2248 State street; Frances Lisan, 1600 Amos avenue; Mary McElderry, 1561 Johnson road; Hadley Thompson, 4170 Breckenridge lane; Sue Walters, 2722 Iowa street; Judy Sander, 1713 Fourth street; Madison; and Neil Ebersold, Venice.

The students on the Carbondale campus were cited by their academic deans for high scholastic achievement during the fall quarter. The list covers those who attained a 4.25 point average.

Ask Residents Not To Call For Tax Aid

Quad-Cities area residents are asked not to call agents on duty at the city hall in Granite City for income tax preparation assistance, an Internal Revenue Service spokesman said this week.

Despite notices to that telephone assistance is not available locally, he said, some people continue to call. IRS agents on duty here cannot be reached by telephone, he said, and those seeking help locally should visit the city hall council room in person.

Telephone assistance is available at the St. Louis office of the IRS only the spokesman said. IRS personnel will be here only on a limited number of pre-announced days.

The IRS will have someone on duty at the city hall next Monday and Tuesday, and again on Feb. 5, 12, 19, and 26, from 9 a.m. to 4 p.m.

Now-Ford frees you forever from the expense and bother of frequent car servicing. Twice-a-year maintenance is here-and only the cars from Ford have it!

2000

In a new Ford Galaxie or Fairlane, the odometer rolls off a long 6,000 miles between every service stop. Compare this with other '62 cars and here's what you'll find: many cars still have to check in for service every 1,000 miles; others every 2,000 miles; others every 4,000 miles. Only the cars from Ford need service only twice a year, or every 6,000 miles.

When you own a '62 Galaxie or Fairlane, you don't have to drive with one eye on the odometer to make sure you're not forgetting an oil change or a grease job or other servicing. Ford's twice-a-year maintenance saves you time, saves you money. Just one stop every 6,000 miles takes care of servicing. You'll go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications, 2 years or 30,000 miles without changing engine coolant-antifreeze. Brakes adjust themselves. Why buy a service headache when Ford is ready with the cure? See your Ford Dealer-and see how close Ford has come to the fill-it-and-forget-it car!

Motel Owners Planning Session Tomorrow Night

Preliminary plans for an area motel operators association will be discussed at a meeting at 7:30 p.m. tomorrow at the Trailway restaurant near East St. Louis, according to William Thweike, who operates the Chain-of-Rocks Motel west of Mitchell.

Thweike said motel operators from Alton, Wood River, Edwardsville, Collinsville and Belleville, as well as those from the Quad-Cities area, will attend the meeting.

William R. Deutsch, Jacksonville, executive director of the Illinois Motel Association, will be the speaker for the evening, at which advantages of a local association will be explored.

If formation of such a group seems advisable, Thweike said, it may be organized at the meeting. He said letters have been sent to motel operators throughout the area inviting them to attend.

Tests Planned On Items Similar To Store Loot

Madison police plan laboratory tests in the hope of linking items found in a Mitchell area resident's auto with articles taken from the Cut-Rate Food Market on Fifth street during the week-end. After being questioned extensively, the man was released from custody early Tuesday morning.

A wrench and 13 cartons of cigarettes located in the auto—searched on a warrant issued by Police Magistrate John Bridick—matched closely with articles missing from the store. However, it was concluded that evidence as yet is insufficient.

Tools being inspected include a crow bar, auto lug wrench, pliers, hammer, screwdriver and welding tips. Blood found on gloves, a shirt and a newspaper is believed to be that of an animal; a side of beef was among the food items taken from the store.

Two Ice Fall Victims, Others Treated Monday

Slippery streets and sidewalks continued to cause falls this week, as a number of fall victims were among those receiving emergency treatment at St. Elizabeth Hospital.

Among those treated Monday for minor injuries received in falls on the ice were Richard Griffin, 25, of 2007 Garfield avenue, and Eddie Canada, 15, of 1737 Poplar street. Both underwent x-rays and were released.

Robert Mull, 12, of 2914 1/2 Palmer avenue, injured his right elbow in a fall at school Monday afternoon, and had x-rays at the hospital. He was released after treatment.

Michael Gerber, two and one-half, of 2821 Dale avenue, was treated Monday evening after he had drunk an unknown amount of liquid air freshener. He underwent a stomach lavage and was released.

Also treated Monday was Bruce Basden, four, of 2204 Ohio avenue. He had fallen from a hassock and injured his mouth, loosening his front teeth. He was released after treatment.

CORRECTION

An item in the Jan. 15 issue of the Press-Record concerning the death of Mrs. Della Reynolds the previous day was incorrect in stating the length of her illness and the time she had been a patient at the Madison Nursing Home. She had been ill four years and seven months, and was at the home four years and five months.

Awards At GAA Mother-Daughter Dinner Tonight

A variety of awards will be presented at the annual mother-daughter banquet of the Girls Athletic Association at 6 o'clock tonight at Granite City high school. The cafeteria will be the scene of the dinner and a brief program, after which the modern dance and tap dance clubs will perform and Coolidge and Prater, representing the GAA members will present plays in the GCHS auditorium.

A gathering of 350 junior high and high school students and their mothers is anticipated. Awards will recognize GAA participation, state attainments, managerial service and intramural sports championships. The evening will conclude with presentation of blue and gold pins to 97 initiates in a candlelight ceremony.

Speakers will include Carol Watts, toastmaster; Ruth Johnson, welcome; Judy Kerch, representing ninth graders; Edna Mullen, representing graduating seniors; Mrs. Russell Johnson, representing mothers; and Miss Barbara Kerch, supervisor of elementary physical education and junior high and high school girls' physical education. Jean Hinson will be song leader.

The Granite City unit is one of the largest and most active in the state. The GAA, sponsored by the Illinois High School Association, is composed of nearly 300 member schools. Inter-school GAA events include annual "play days," officers' workshops, postal and telegraphic sports tournaments and a leadership camp each June.

Crash Follows Skid

A collision on Collinsville avenue at Ewing avenue, Madison Monday afternoon damaged a headlight of the westbound car of Jimmy Ray Nolen, 1719 Collinsville, and the left side of the eastbound auto of Melba Olson, 62 Garesche Homes. The Nolen car skidded on ice, police were told.

Icy Ruts In GC Streets Claim 12 Mishaps Monday

Long ago when streets were unpaved carriages and cars were grooved into dirt roads and caused hazardous driving conditions.

That's what is happening in the Quad-Cities area this week. Only the dirt ruts are being replaced by much more hazardous ice ruts. Twelve accidents, including three collisions that were printed in Monday's Press-Record, were reported within the city limits of Granite City Monday.

The ruts provide a difficult task for motorists to have complete control of their vehicles. Add old trolley and railroad tracks to the ruts and most vehicles are almost completely unpredictable as to their course of travel, police pointed out.

No Injuries Reported

In all twelve accidents Monday there was either a notation on the police report that a vehicle either skidded on the ice or was caught in a rut and could not get out in time to avoid the collision. However, there were no injuries in any of the mishaps, police said.

Herbert Bittick, of 1931 Maple street, parked his pickup truck on 20th street near Adams street Monday morning. During the day his truck was struck by two autos. The first collision was reported in Monday's Press-Record but the second involved a westbound car driven by Jerry Morgan, 21, of 2208 Grand avenue. In both cases the cars skidded on the icy street.

Car Thrown By Rut

A westbound car on 24th street struck a parked car at State street about 12:30 p.m. belonging to Herbert D. Roy, St. Louis. The car was driven by Robert A. Harris, 27, of 2333 Delmar avenue, who told police a rut in the ice threw his car into the parked auto.

Thirty-five minutes later, James Edwards, Rural Route One, stopped his southbound auto in the 2400 block of Delmar to let a northbound car pass. Icy ruts, threw the northbound car, operated by R. S. Hill, 35, of 2627 Delmar, into the Edwards vehicle.

Wayne Kelly, 30, of 2806 Dogwood drive, was heading east on 24th street Monday at 2:20 p.m. when he attempted to turn right out of a rut to allow a westbound car, operated by Wilton L. Shemwell, 23, of 1366 Norwood drive, to pass. Kelly's car skidded out of the rut and struck a pole. The impact of the collision sent the rear end of Kelly's auto into the Shemwell vehicle.

Two southbound cars on Narnock road collided in the 2200 block about an hour and 25 minutes later. Drivers were Doris J. Bluchoff, 18, Rural Route One.

Granite City PRESS-RECORD

Thurs., Jan. 25, 1962 Page 29

Wheels Caught In Rut

Jack Friedman, 40, of 2445 Edison avenue, told police that the wheels of his southbound station wagon on Edison were caught in ice ruts as he collided with a northbound car operated by Evelyn J. Gossell, 24, of 3309 Wabash avenue. The 5:30 p.m. accident occurred in the 2500 block.

Marta L. Culpen, 16, of 2456 Sheridan avenue, told police at 9:30 that her southbound car on Monroe street skidded in the 2100 block and struck a northbound car driven by Harry E. Carney, 29, of 2500 Lincoln.

The last accident Monday occurred at 9:50 p.m. when Earl L. Sides, 23, of 1723 State street, lost control of his southbound car on the ice in the 2800 block of State and struck a tree on the west side of the street.

GC Council Seeks Bids For Five Police Cars

Higher than average operating costs on year-old police patrol cars resulted Monday night in Granite City council approval of a call for bids for five new autos.

Alderman Frank Vess, chairman of the Public Safety committee, noted in the bill that \$139 was spent for tires and repairs to the patrol cars last week. One caught fire at a battery cable while on routine patrol.

The bills and half-month salaries approved during the meeting totaled \$30,373, of which \$1544 was for expenses and \$38,835 for half-month pay for employees.

Granite City PRESS-RECORD
Page 30 (Thurs., Jan. 25, 1962)

The total included \$696 for maintenance and fuel for all city equipment.

Also on the bill list were \$30 monthly expense allowances for Aldermen Steve Baughman and Walter Nenn, a \$70 allowance for Police Chief Raymond Willard, to attend the Illinois Association of Police Chiefs conference at Aurora, and payment of \$36 to St. Elizabeth Hospital for treatment of Motorcycle Patrolman Joseph Katsic Jr., who was hurt in a minor traffic mishap and required x-rays and emergency care.

100 Quad-City Precinct Positions Attract 30 Contests

Thirty contests will highlight the April 10 primary election at the precinct level in the Quad-Cities, except for possible withdrawals through tomorrow, the filing period ended late Monday afternoon.

Party committee posts being contested include 21 in Granite City township, six in Venice township, two in Nameoki township and one in Chouteau township Precinct One.

With 50 precincts in this community, the Democratic and Republican committee races total an even 100.

56 Democratic Battles
On the Democratic side, 24 candidates are unopposed, there are 22 two-way races and four three-way fights.

Fifteen GOP precinct posts did not attract candidates; of the remaining 35 in the Quad-Cities, 31 candidates are unopposed and there are four two-way contests.

All three-way filings involve Democrats. The triangle races pit together David M. McFarland, Paul R. Stover and Mike Mejski in Granite City Nine; Thomas Nesbit, William "Bill" Warfield and Sandy Pence in Granite City 18; Terry W. Francis, Dean Maherry and C. "Mike" Michaeloff Jr. in Granite City 26; and Frank Franklin, Johnnie Harris and Rev. Dennis E. Johnson in Venice 11.

Two-Way Races
The 16 Granite City Democratic two-way committee

contests are as follows. Precinct Two, Harry J. Brandt and Ronald P. Stish; Eight, John L. "Blackie" Cross and Lacey L. Randolph; 11, Robert O. Gaughan and Elmer Miller; 12, Bernard "Bunny" Mateyka and Everett A. Morlen; 13, Paul E. Jones and Leroy J. Macara; 14, Dick Allen and Raymond Perjak; 15, Larry Chism and Homer "Cal" Pendleton; 16, Guy R. Cooper and John Zikovich; 20, LaVerne "Jumbo" Brewer and James P. Worthen; 21, Vasil Ertimoff and Paul C. Zupan; 22, Merlin G. Hiscott and John J. Zigitte Jr.; 24, Cy Walker Jr. and Edward Sibthorp; 27, Von Dee Cruse and Daniel Churovich; 28, Nelson "Nellie" Hagnauer and John C. Lakin; 30, Franklin Smith and Conrad Champion; and 32, Harold L. Harper and Kenneth Demery.

The four two-way Democratic contests in Venice township follow: Precinct One, Walter T. Simmons and John Mandanice; Two, Jay D. Maurer and Harry Musick; Four, Andrew "Pico" Peter and "Bill" Boelling; and Nine, Christ Coast and Louis "Luke" Kraus.

Nameoki, Chouteau
Ralph R. B. James and Curtis E. Bean are seeking the Democratic post in Nameoki Precinct Five, while Gordon "Pico" Peter, Ruth and George L. "Hot" Gibson are opposed for the Democratic position in Chouteau One.

Republican two-way battles pair Walter J. Emde and Ever-

ett A. Rice in Granite City Precinct Two; Andrew "Les" Parke and Ira L. Nedcall in Granite City 13; Benjamin Bankhead Jr. and O. C. Ward in Venice Four; and Sherwin E. Martin and Delbert "Deb" Joines in Nameoki Three.

Precincts in which no Republicans filed are Granite City One, Six, 10, 14, 16, 17, 20, 21, 29 and 31; Venice Seven, Eight and 10; and Nameoki Four and Five.

Democrats Unopposed
Unopposed Quad-City Democratic committee candidates follow: Granite City—Precinct One, Frank J. Fuzessery; Three, Joseph Cuvier; Four, John M. Windlmeier; Five, William M. Jenkins; Six, Arthur Wierzer; Seven, Clyde W. Boyd; 10, Steve A. Basarich; 17, Harold E. Hillmer; 19, Robert Lee Kelly; 23, Lamon C. Lancaster; 25, R. D. Ailes; 29, Walter F. Nomm; and 31, Thomas SanSouci.

Venice township—Three, A. C. Butler; Two, John H. Haynes; Six, John Bridick; Seven, William F. Clinton; Eight, Sam Cienko; 10, Eugene Hecht; and 12, Herman Smith.

Unopposed GOP Candidates
Quad-City Republicans unopposed for precinct posts in April are as follows:

Granite City—Three, Roy M. Grover; Four, John B. Moss;

Five, John G. Tate; Seven, Edward W. Pauly; Eight, Clarence H. Wood; Nine, C. Luther Rudder; 11, James W. Walker; 12, E. B. "Gene" Nelson; 15, Richard Copeland; 18, Mose N. Maxwell; 19, William R. Weckman; 22, Arthur Hakek; 23, Louis H. Brunatti; 24, James O. McCabe; 25, Walter W. Riley; 26, Roy M. Lynn; 27, Samuel W. Shackelford; 28, Robert T. Byrne; 29, George W. Birdson; and 32, Howard W. Bason.

Venice township—One, Marion R. Groshong; Two, Leroy D. Kut; Three, Joe Dumas; Five, Louise H. Byrd; Six, Percy Lux; Nine, Steve G. Kaman; 11, William Spencer; and 12, Robert Anderson.

Nameoki township—One, Frank Zamaroni; and Two, Harry Peck.

Chouteau township—One, George Warnicke.

Missouri U. President At GCHS Commencement

Dr. Elmer Ellis, president of the University of Missouri for the past seven years, will be guest speaker at the January 1962 commencement exercises of Granite City high school at 8 p.m. Monday, Jan. 29, in the GCHS auditorium.

The announcement was made today by Principal Lawrence C. McCauley. This month's graduating class consists of about 95 students.

Dr. Ellis, born July 27, 1901, in McHenry county, N. D., received his early education in that state. He was appointed acting president of the University of Missouri, Columbia, Mo., on Sept. 10, 1954, and became its thirteenth president April 16, 1955. It is the oldest state university west of the Mississippi River.

His teaching and administrative career includes service as instructor in history, University of North Dakota, summer of 1925; professor of history and government and chairman of the Department of History, North Dakota State Teachers College, 1925-28; lecturer at Iowa State University, 1928-30; and assistant professor of history at the University of Missouri, where he joined the faculty in 1930.

American History Expert
He later advanced to professor of history, the title he still holds. His major field of instruction is American political, intellectual and economic history from 1860 to 1940.

Dr. Ellis served in the summer of 1937 as visiting professor of history at Ohio State University. He was acting dean of the Graduate School, University of Missouri, in the summers of 1936, 1939, and 1941, and was a 1939-40 Guggenheim Fellow. He served with the Historical Branch, War Department General Staff, U.S. Army, in 1943-45.

Vice-president of extra-curricular activities in 1945-46, he was dean of faculty of the U. of Missouri College of Arts and Science from 1946 to 1955.

During the 1949-54 period, he administered a teaching improvement program, financed with a \$50,000 grant from the Carnegie Foundation for the Advancement of Teaching. The study dealt with improvement of teaching in colleges and universities throughout Missouri.

DR. ELMER ELLIS, president of the University of Missouri, will speak at Granite City high school commencement exercises Monday evening, Jan. 29.

Activities Abroad
Other highlights of his career have included a visiting lectureship at the University of Amsterdam on a 1951-52 Fulbright Grant, faculty membership at Salzburg Seminar of American Studies in 1952, external delegate from the Association of American Universities to 1956 meetings of the British Commonwealth Association of Universities at London and Birmingham, participation in a 1953 meeting of the BCAA and the AAU in Toronto, a six-week 1959-60 official inspection of the university's agricultural education advisory unit in India, and a 1961 trip to London for the quinquennial conference of the BCAA.

Recipient of the doctor of philosophy degree in 1930 at Iowa State, he holds five honorary doctorate degrees. Active in many national and state committees and organizations, Dr. Ellis has headed the National Council of Social Studies, Mississippi Valley Historical Association, the Harry S. Truman Library Institute, the Missouri Commission for Education, a successful state bond issue campaign in 1956.

He has edited three books and is the author of "Henry Moore Teller, Defender of the West" and "Mr. Dooley's America, a Life of Finley Peter Dunne."

Scouts Plan Displays On City Hall Lawn, Lot

Use of city property for displays to be set up by Boy Scout troops during Boy Scout Week next month was approved Monday night by Granite City council members. The week is to be observed Feb. 7-13.

Troop 122, sponsored by Wilson school PTA, will use the north end of the city block at 24th street and Madison avenue for an outdoor camping display on Feb. 10; and Troop 18, sponsored by Sacred Heart Church Holy Name Society, was given permission for an overnight campout on the city hall lawn opposite the YMCA on Feb. 9.

Leo Kalips, district activity chairman for the scouts, advised Mayor Davis that members of Boy Scout troops in Granite City would be attending the Feb. 5 city council session for a first-hand view of city government in action.

Justices Must Hear All Cases; Other Rulings

Justices of the peace and salaried police magistrates are required to hear all cases coming within their statutory jurisdiction, unless they are personally interested in the case, Ill. Attorney General William G. Clark has ruled.

In other newly-announced opinions, Clark has held: That 1961 legislation requires all guardian ad litem fees, witness fees and any other fees, except clerk fees, are to be paid by an executor, administrator, trustee or any other person representing the estate involved.

That any compensation received by a county clerk for acting as an Illinois Municipal Retirement Fund authorized agent may not be retained by the clerk but instead must be paid into the county treasury. However, an employee in the county clerk's office can be appointed or designated as an IMRF authorized agent and receive and retain compensation paid for such service.

And that, if the petition for a county unit road district election requests that the proposal be submitted to voters at a special election, the county judge can call the election for the same date as the April primary, if the petition requests submission at the next general election, then it cannot be held on the same date as the April primary election, Clark has ruled.

GAS HEAT HEADQUARTERS, TRI-CITY HEATING, GL. 2-2110.

ICE, SNOW AND FREEZING temperatures took their toll on the city hall steps in Granite City where half of the outside entrance on the Edison avenue side of the building is barricaded.

Iron, Steel Engineers To Meet Here Jan. 31

The January meeting of the St. Louis section of the Association of Iron and Steel Engineers will be held at the Granite City Elks Club at 8 p.m. Jan. 31, preceded by a dinner at 7 o'clock. Speaker will be E. H. Brown, manager of the metal working section, industrial engineering department of the Westinghouse Electric Corp., East Pittsburgh, Pa.

Promoted In Germany

Sp. 4 Clarence E. Blackburn, son-in-law of Mr. and Mrs. Glen Jackson, 1538 Second street, Madison, was promoted recently while stationed with the U. S. 66th Army in Illersheim, Germany. He is a cook in the consolidated mess at Illersheim where he has been stationed since March. With him is his wife, Shirley, granddaughter of Mrs. D. M. Bond, 1621 Sixth street, Madison. The Jacksons are expected to remain overseas until September 1963.

Thomas J. Barr Is Promoted To Major

Capt. Thomas J. Barr, stationed at Fairbanks, Alaska, for the past two and one-half years, was recently promoted to major and is being transferred from Fairbanks to Fort Hood, Tex. He and his wife will visit her brothers in Seattle, Wash., and his mother in San Francisco, Calif., before going to his new post. Major Barr, a brother of Mrs. Eloise Simpson of this city, has been selected to assist in organizing the First Division of the reorganized Army.

'Blue Army' Wins Plant's 'War To Preserve Safety'

A "war to preserve safety," the fewest injuries on the pre-patterned after the 100-year-old plant. The awards were split Civil War to preserve the under dollars, fishing poles, wallets and a success at Granite and other items. Members of the "Gray" army at a special "Blue" and "Gray" served breakfast to the "Blue" breakfast Tuesday at the main army headquarters.

Safety Record For 1961
Following the breakfast, a "Red" Parker, who staged the brief safety meeting, was held contest, dividing the entire plant during which Parker said 1961 equally into "Blue" and "Gray" was a record safety year at the plant, announced that the goalplant, which received a rating to decrease minor accidents was of 2.59 disabling injury mishaps accomplished with a reduction of per million man hours, compared to the previous record set in 1960 with a 3.08 rating.

"Our goal now is 'Two for '62,' up 1,380,000 manhours from Nov. a rating we can attain," the 23 to Jan 15 without a lost time safety director told the group, or disabling injury. That's no record, but it shows what can be done," Parker told 45 depart-ment heads who gathered for the breakfast.

Parker said that as in the Civil War, the "Blue" army won with 242 minor injuries, compared to 277 reported for the "Gray" army. In the contest, which ran from Nov. 10 to Dec. 31, each worker was given a number of blue or gray cards, and blue and gray safety helmets were issued and on a daily basis, five awards were presented to members of the army showing

CIVIL WAR ON SAFETY at Granite City Steel Co. ended with a breakfast Tuesday morning in the main office cafeteria where the losing "Gray" Army served to the victorious "Blue" Army. The contest, which successfully reduced the number of minor injuries in the plant during a 50-day period, also included award presentations on almost a daily basis. In the photo, "Confederate" Monroe Finn (foreground) is serving bacon and eggs to "Union" department heads.

Advanced Leadership Club Seniors Honored

Twenty-five members of the Advanced Leadership club of Granite City high school honored the graduating members with a dinner party at the home of Miss Jean Hinson, club president, Wednesday evening. The affair, a surprise to the graduates, began when the group drove to the seniors homes to pick them up.

Following a pot luck dinner, games were played and time was spent recalling some of the contributions made by the girls to the success of the club.

Graduating members are Jo Elaine Dineff, Vice-President; Barbara Kelly and Edith Marimurphy and Judy Karandjef.

The new vice-president announced last night is Miss Dimple Ingram.

Probationary members taken into the group were Gay Mueller, Jean Krynitzko, Janet Murphy and Judy Karandjef. The leadership group is dedicated to development of better citizenship and improved student leadership in the school and community. In addition to daily class work and laboratory experiences in the physical education classes, the members organize and conduct many school-community events conducted in the high school.

Senior Residents May Buy Licenses Locally

Local residents 65 years of age or older may now purchase Illinois hunting and fishing licenses for 50 cents directly from his office, instead of writing to Springfield for the reduced price as in the past, City Clerk A. L. Stevens has announced.

He said the licenses are now on sale at his office, as well as at other locations in the area. Prices are the same as last year, he said, with the exception of resident hook and line and resident trot or throw line permits, which are now \$2.25 instead of \$2.10.

More vessels pass through the Klet Canal between the North and Baltic Seas than travel through either the Panama or Suez Canals.

Donald Stucke Joins Local Insurance Firm

Donald Stucke, 1613 Clark avenue, a lifetime Granite City resident, has joined the Ochsman Real Estate and Insurance Agency, 1905 Cleveland blvd., the agency is announcing. Stucke formerly was with Bentley C. Associates Insurance adjusters, East St. Louis. He resides here with his wife, Lucille, who is PBX operator and receptionist at city hall, and their three children, Carole, 16, Janice, 11, and Joyce, 10.

Special Youth Services At Free Methodist Church

A special service honoring younger youth will be held Sunday at 7 p. m. at Central Free Methodist Church, 22nd and State streets. The local group toured the Press-Record office and plant this afternoon.

A group of Christian Youth Crusader boys and girls from Greenville, Ill., will be in charge of the Sunday service under the leadership of CYC directors, Dr. and Mrs. Kenneth Kauffman, and assistant.

Activities planned by the local CYC directors, Mr. and Mrs. Paul Lynn, will begin with a get-together in the church basement for lunch beginning at 5:30 p. m.

The evening program will include special numbers by the White Chapel Joy Bells, a bell ringing group of boys and girls from the Madison Presbyterian Church directed by Mrs. Dorothy Lomberger. Other features will be a Bible "Quiz-Quiz-Quiz" game played by the Greenville and the Granite City Crusaders; a skit; special musical numbers, and a CYC demonstration.

Rev. Ross Carlton, the host pastor, will close the service with a special illustrated message entitled "God's Lamb."

Mr. And Mrs. Starling Parents Of Daughter

Mr. and Mrs. Melvin D. Starling, 2218 East 24th street, are announcing the birth of their first child, a daughter, Monday at Christian Welfare Hospital, East St. Louis. The baby weighed seven pounds six ounces and has been named Joy Elaine. Mrs. Starling is the former Judith Easton of Waterloo, Ill. The paternal grandparents are Mr. and Mrs. Melvin J. Starling, 2825 Ralph street.

Ice Causes Collision

A collision on southbound autos at Fourth and Granville streets, Venice, at 3:30 p. m. Monday damaged the front bumper, grille, radiator and hood of the car of Joe Williams, East St. Louis, and the rear bumper and taillights of the auto of Cecil Bauder, 708 Third street, Venice. Bauder had slowed to turn right onto Granville, and the other car slid on ice.

Golden Era Ahead, GC Kiwanians Told

The 1960's should be a "golden era," George Frangoulis told Granite City Kiwanians at their weekly dinner meeting at the Elks Club Monday.

While a shortage of semi-skilled workers will lead to an increase in automation, the outlook in general is bright, according to Frangoulis, a partner for the local office of the Dempsey-Tegeler & Co. investment firm.

The speaker said the stock market is irregular at present for several reasons — new tariff regulations, possibilities of a steel strike and others. The current trend is for higher return on loans and a greater return on investments, he said.

Frangoulis said before investing to any great extent, an individual should have money in the bank to meet emergencies, adequate insurance on himself and his family, should have funds to meet current and anticipated future bills.

Investors must determine their goals before investing, he said. They may wish current income from their investments, or growth income for future needs, or stocks on which to speculate. Risk capital is necessary for the latter, he added.

The investment broker said most speculation is in new companies, those just becoming publicly owned and offering higher than average income and higher than average risk.

Frangoulis invited Kiwanians to visit the Dempsey-Tegeler office and watch the operation of the ticker tape. Seven minutes after an investor places an order in Granite City, he said, it can be on the floor of the New York Stock Exchange.

Reports Crash Injury

Madison police were informed Monday afternoon by Mrs. Rose Darling, 1625 Fourth street, that she was injured Jan. 20 when her westbound auto was struck in the rear by another westbound car on Fourth street near her home. She was knocked unconscious momentarily. Recovering, she saw a red auto leave the scene.

FRANCES RUTH McCOMBS, daughter of Mrs. Mary Portwood, 1713 Olive street, enlisted recently in the U.S. Navy waves. A graduate of GCHS, she will be stationed at Bainbridge, Md., for recruit training.

Charles Youngs Receives Weekly Toastmaster Award

A talk on "Men and Women in a Changing Society" won for Charles Youngs the award of the week at the Granite City Toastmasters club meeting at the Grand Cafe Monday night. Other speakers for the evening were Paul Lottman, making his first speech as a member of the club, who talked on "Myself Under Pressure," and Herma Greve, whose topic was "Second Part of Patriotism."

Twenty members and three guests attended the meeting, at which Dr. Leo Coleman was toastmaster. Guests were Ira Winn, Warren Simpkins and Don Adams. "Juvenile delinquency" was the topic for the evening.

General evaluator was Charles Withers, while Ray Uram, Marilyn Dean and Harry Echle were critics.

Stop Sign Charge

Charged with passing a stop sign at 19th street and Edison avenue and violation of his driver's permit restrictions at 7:45 p. m. Monday was Clarence H. Hoffman, 17, of 2800 Harding blvd. He posted his driver's permit as bond.

CAP Snow Queen Dance, Coronation Saturday

The Snow Queen of the Granite City Civil Air Patrol will be crowned at the third annual snow queen dance, Saturday evening at the YMCA.

The dance will be held from eight until twelve o'clock and an orchestra will furnish music for dancing.

The candidates are Miss Linda Granneman, Miss Elizabeth Pisel and Miss Ruth Ann Warren. The queen will be crowned by the retiring queen, Miss Carolyn Smith, and entertainment will be furnished by students of a local high school under the direction of Miss Marilyn Champion.

Tickets may be obtained at the door. The admission will be 50 cents for students and \$1 for adults.
